

I cant believe it's really been 50 years since

~~You~~ married me.

~~And~~ still to this day , every day ...

Ooh

~~you~~ make me feel ... like the girl I was

Weird science

~~when you first turned on the light and woke~~

Plastic tubes and pots and pans

~~and we started this adventure together.~~

Bits and pieces

~~And magic from our hands~~

Happy Anniversary

~~My love~~ *My friend until the*

~~end.~~

Behind bolted doors

~~And imagine, it's my creation~~

Loretta .

Is it real?

~~It is my~~ *creation*

I do not know

No hesitations

Your heart of gold

Is flesh and blood

I do not know

Why do I know?

From my heart and from my hand

Why don't people understand

My intentions

" Chris .

Ooh ooh ooh ooh ooh ooh ooh weird science

My best friend ...

~~How~~ lucky that I met you 50 years ago. "

Ooh, ooh

~~How lucky~~ are we With all the possibilities

... - " Dear Grandma ...
