I'm not talking about digging up a dead girl.

I'm talking about your computer, idiot.
You can simulate stuff on your computer.

Why can't we simulate a girl?
I guess I could, but why?
It's two-dimensional on the screen.
It's not flesh and blood.
But we can ask it questions.
We'll put it in real-life sexual situations
and see how it reacts.

Well, what about your girl in Canada?
She lives in Canada.
She has no morals.
I don't like that in a girl.
Anyway, get to work.

Very nice.

Hold it, Wyatt. I know female stats.

Lisa, you don't understand my parents.
You are a really creepy dude.

What's there to understand?

They're oppressive, meddlesome,
-It's not true ! -Yes, it is!
difficult, demanding, and totally bizarre.

They're normal parents.

-I have to go home. - I'll walk you .

Go get dressed.

No, no, just ...

Lisa, I created you.

Why do you do things I don't want?

You and Gary want friends,

you want popularity,

you want all that stuff, right?

I thought about it. Sure, but...

So I'm giving it to you.

-Hello. - Hello, Samantha.

Thank you,

How was it ?

but I don't want it in my house.

Not that good .

If you want to be a party animal,

I can't hide if we're jungle.

Too bad ..

Now go get dressed.

I'll pick up Gary.
I can't wait to meet his parents.

Your how are you ? What are you doing ?

Not much, I'm fine.
Do you go to Gary's school?
Right.

Do I look like I'm in high school?
Yeah?

Do not hear well .

She's a foreign exchange student.

~~Is there anything you want to tell me?~~

I do not know
happening around the world.
How does it feel ...
You look very...

How does it feel to be live in that room ?
mature
Doesn't she?
What do you mean?
I was thinking the same thing.

What do you do for a living, Al?
Tell me your ...

~~Tell me what you think that passes through your
Mind, what you think He's into plumbing.~~

I guess you plumb, right, Dad?

Very well.
Yeah
I think it's time to go.

You ready?
Where are you going?
To a party. To a movie.

The room is spinning because I drank a lot.

~~I wanted party~~ just what it is.

Having sex.

No. I've whipped up this nasty soiree.
There is something very sexy about that
~~woman~~.

Soir what?

~~Because~~ I'm alone.

I think that means party.

Maybe it was because I only ...

Party. There's going to be sex, drugs, rock n' roll,
I wanted someone to fuck me .

~~Stop sedips, who wants to~~ fuck her .

Your basic high school orgy.

Maybe this time would have felt ...

I'm not talking candle wax on the nipples...

Just hundreds of kids
~~fill that hole in my heart, but probably not,~~
running around in their underwear acting like
animals.

You know, sometimes ...
I've heard enough!

~~Feel~~, get ~~to feel~~ how ~~what~~ I'm ever gonna feel

Yes, sir!
It's okay. I'll handle this.

And from here on out ...
Girlie, get out before I throw you out.
... I'll never feel something new.

Don't threaten me, Al!

You're out of shape.

I'll kick your ass.

~~Just lesser versions of what I've already felt .~~
I'm going to make this real easy for you.

I know that's not true.
I'm taking Gary to a party.

Over my dead body.
I've seen you feel :
He's a good kid.
I've seen you marvel at things.
He studies hard.
I mean, just may not...
If anybody should be bitching,
it should be Gary at this exact time. But it's
understandable.
You've been through a lot lately.
Dose a part of yourself .
Hey! Hey!
Compliments embarrass me.
Say up! Shut up!
at least
It's your feelings you can't's only sexual outlet

No ssforgoffito magazines in the bathroom.

I was thinking about how I was annoyed
Water's running all day.
It's going to sound strange, but ...
I never tossed off!
Aw, it's really weird to talk to that mother!
Shut up!
And then ...
I was thinking about the other things I've

I caught myself feeling proud of that.

Look, I don't know who you are,
Proud to have my own feelings about the

I had this terrible thought

Are these feelings even real?
Well, here it is.
Or are they just programming?

And it really hurts.

Oh, Christ.
And then ... I get angry with myself ...
Oh, Lord God.
to have pain.

Oh
What if it's a trick?
Whoa.
Go ahead...
Make you really me , Samantha.

Thank you, Theodore .
It means at *that* to come to this.
Come to what?
Cheer up, or I'll blow your face off.

i wish you were in this room with me right now...
I would put my arms around you...

~~Don't touch you~~ old lady.

Everything's cool.
Everything's cool!
My dad's going to castrate me.
~~How would you touch me ?~~
My mother almost had a cardiac arrest.

I'll be grounded till I'm 45.

Other than that, everything's great.
~~I'd touch your face.~~
Couldn't be better.
~~With only the tips of my fingers.~~
Trust me for once, will you?

They don't know what happened.
I'd put my cheek next with your cheek.

Did you think
~~How nice .~~
Gary was acting a little strangely this evening?
~~Very gently .~~
Gary!

~~Who's Gary?~~
~~Would You kiss me ?~~

I would.
Lisa, promise me things won't get out of
~~Put your head on ...~~

Don't worry.
Keep talking having a few friends over.

I'd kiss you in your mouth ...

I don't have any friends.

He doesn't
so smoothly .

Boy ain't lying.

What else ?
You do now.

I would put my fingers through your neck ...

through ... your chest.

Kiss your breasts.

Hi! Hi! Hi!

Well, do not worry , I will not stalk you.

It's funny , because I thought which was talking about what I wanted ...

- Yes, you did . - Yeah .

Sorry.

I want to hear what you were going to say.

Are you sure ? Yes, I do.

Someone told me you were at an insurance seminar,

Wyatt.

That's something tell me all what you have to say .

Well, I was only

Is what saying I wasn't to learn everything

about everything close to her.

I want to eat it all up,

With love of myself.

I also want you to do it.

How is the best party I've ever been to.

You've already done it .

It's helped me discover my ability to want .

Whose house is this?

It's probably that girl with the English

Want to go on an adventure with me?

She doesn't have a zit on her whole body.

Yes I' love to.

She has zero fat.

And she's so relaxed.

Like this song did it was charming.

I heard it the other day.

I can't stop listening .
The bathroom.

Ladies.

Hi. Hi.

Hi.
I can't believe you.!

*You're dropping wolfbait
and chicks are outside.!*

Light a match! Light a fire!

Hi. Hi.

Hi.

We thought there were just girls in there.

It's just us dudes.

Why are you here?
Gary was just taking a shit.

I meant...

What are you doing at the party?

Oh, it's my house.

This is your party?

We like to do this once a week,

throw little get-togethers.

It is the beach.
Haven't you guys been by?

How did we miss these two?

So many people, so many parties.

Okay so this might be a really weird thought
So many parties.

What if you could erase from your mind
Can I come in and check my face?

you've seen a human body and then you saw

What is new what would be strange , weird and
fancy
Can we come in?

awkward organism , and think
Come and all these parts where are they?
Sure. Be our guests.

Thank you guys every thing has a logical

explanation.
I know, but do not be so boring.
We've seen you at school,

Just saying, for example ...

What if Hill your anus were in your armpit ?

You're Deb.
Hi. I'm Gary.

Hi, Gary.
I'm trying to imagine what toilets would look like
What have you guys been doing...
like

I didn't know you guys had so many friends.
And what anal sex would look like!

Neither did we.

Wasn't interesting thought?

I thought this was her party.
Look at this drawing I just made.

You mean the sensuous sex symbol type?

Yeah. Yeah.

She's with us.

She's with... you guys?
-You're insane ! -Really ?

DefinitelyListFaMastaicdt?

Because I belong to Gary and Wyatt.

Did they make you in the garage with power tools?

Do they own you?

Control you?

Seriously.

They're toads.

Do I look like I'd go out with two toads?

That's pretty , what is it?

You do.

Gary and Wyatt.

I'm trying to write a piece of music on ...

will force everyone to redefine their terms.
what it feels like ... to be in the beach with
you .

I do whatever they say.

Hi.

You captured the moment .

Could you excuse us for a minute, please?

No problem. We'll be in here.

Okay, fine.

They're stoked for us.

Should we go for it?

How does it feel to be married ?
What about Lisa?

She said we should party.

It's hard to say with these two.

We'll deal with the mechanics later.

But something feels great
Sounds good.

About Sharing your life with someone .
Let's not hurt Lisa's feelings.

She wants a bone job from me.

How do you share life with someone ?
Ready to party? Let's break!

We grew up together.

I used to read everything she wrote in her
master's and phd.

She read every word I've ever written.

Those guys are weird, but they're kinda cute.
We influenced each other .

And how did she influence you?

Where did you two disappear to?

She came from a background where nothing
We were in the bathroom. We were in the
was good enough .
kitchen.

And it was something that was heavy on her.
Eating. Doing our hair.
~~Blah~~ in you when Cat got the Wyat~~re~~
in just trying things,
~~Yes No:~~
~~so~~ afford to fail and thrill about things.

If you get the chance, shower with them.
It was Something liberating about it.

It was exciting to see it grow ...
~~I did.~~
It's a mind scrambler!
both of us grow and move together .
Oh, hurts so good.
But that's the hard part ...

grow with distance .
She took a shower with them.
changing without scaring the other person.
I have a wonderful idea, Henry.

I still find myself stop by and visit Wyatt.
having conversations with her ... in my
Hind alone at home tonight.
Reviewing old arguments or ...
Defending myself against something she
said about me.
I know what you mean.
but nothing's more important to a teenage
Last week boy feelings were hurt about something you
Did he know what was it like to lose
Something I said that ...

No ,its okay,its okay .
I caught myself thinking about it over and
over.
Ha ha ha! Yeah! Woo!
And I realized ...

it was simply remembering it as something wrong with me.

That was the story I was telling myself...
I'd like to apologize for the lie today at the mall.

somewhat ... inferior

Is ~~not~~ that interesting? I'm sorry.

The past is just a story we tell ourselves.

We are sorry.

It happened.

What's the deal with Lisa?

Roberto

Can we borrow her?

Will you always come home ... home with

We can't do that, guys.

me and tell me about your day?

Common decency prohibits us.

Tell me about the guy in work who talked

too much.

Well, I think you got a cool shirt at lunch.

We can't take advantage of her loyalties.

Will you tell me about a funny thought you

had and wake me up,

but you've already forgotten.

Just forget it, guys.

Tell me how crazy everyone is...

We can't do it, you know?

And laugh about being pricks.

Hey, come on.

And if you get home late and I'm already
Regardless of what she may have told you,
asleep ...

Just whisper in my ear one little thought
our feelings for Lisa run very deep.
you had today ...

So do ours for Deb and Hilly,

because... I love how you look at the
world...

It's respect, the time you spent together.

I am so happy I get to be next to you and see
the world through your eyes.

We want to make a deal with you.

With love Maryack at Lisa

and Deb and Hilly are yours.
It's beautiful .

Can you guys keep a secret?
Thank you.

Swish someone loved me like that .

A secret?

Look again. It's Gary.
I would be really stoked to get a letter like
No, no.

that.

Uncle, hot, was from a chick .

He's our 16-year-old boy.
But if it were written by a dude , sent from
Hilly, it would be sick.

But it would have to talk sensitive, dude..

He should be a dude like you .
I feel like an asshole.

This is a blueprint, a part woman.

This is just the blueprint.

Yes , I think I 've been having fun.

Hah! delighted for you . You deserve that.

Really

Yes, I've been seeing this girl and ...

It's nothing serious. But it is ...

it's great ... to be with someone so excited

with the world.

Eddie and Grandpa

I had almost forgotten that that existed.

are working on a new project.

That's great.

They're working on a robot.

Are you okay ?

Yes, I ...

Oh!

No, in fact I'm not well .

Oh! Oh! Oh!

Turn this thing off!

Yeah
You'll love it!
Really fitting in my pants!
OMG , Amy ...

I'm so sorry .

Weird science

Ah After 8 years I can not believe how petty the argument was that actually ended it.

Weird Ooh We came home and he told me to ...

put my shoes ... by the door.

Where he liked to put the shoes .

I did not want to be told where...

I wanted to sit on the sofa and relax for a

And so we fought about that for like 10 Ooh ooh ooh ooh ooh weird science minutes

And I'm like , you're overwhelming ...

Ooh And was like, I'm fucking trying .

Aah! and he's like "no, you are not trying." And
all I fucking do is try.
Aah! But I'm not tryin the way he wants me to try
Try to control the way that I'm trying.

We've had that argument like 100 times .

i just couldn't
couldn't do it anymore.
Whoa!

We forgot to hook up the doll.
I'm glad that you're looking so up
You forgot to hook up the doll.

Hey, wanna hear a joke?

What does a baby computer call its father?

I do not know what?
"Dada"

It's good, right?
Brilliant.

Hey, I was curious ...

Did you and Amy ever go out?
Like a minute in college but just wasn't right

.

Why, you're jealous?
Obviously.

But I'm happy that you have a friend in your life who cares about you so much.
Something's going on here, Carmen.
That is really important.
Yes, it is a feeling we won't approve, Henry.
She & I are really good friends.
A missile!

I'm tired.

A missile in my house, Gary!
I think I'll sleep now.

Okay.
Can I party for sleep again tonight?

It was an accident.

For the next 10 minutes , Yeah you say
~~you'd be like me~~... I'll stab you with this.
Arrggghhh!

I'll try.
This party's lame, Max.
What about the girls?
Girls, shmirrls.
I feel ..
... relieved. I have so much energy ...
Aaah!
I just want to ... move forward and I dont
care who I disappoint .
And I know that makes me an awful person
Now my parents are upset because my
marriage is falling apart
and they're putting it on me, and they're just
saying...
you're always gonna disappoint somebody .

Exactly!
so Fuck it!
What's going on?
I feel good-
ish.
Knead!good.

I even made a new friend.

I have a friend .

An ~~ugghhh~~absurd thing is that she's an OS

Charles left her behind,

~~But she is ...~~

Oh!

is ... amazing. She's so smart .

~~She~~ doesn't just see things in black and

white.

~~She~~ sees this whole gray area and help me to

Gary!

~~explore~~

Gary, listen to me.

~~We just bonded to really quickly~~ house!

At first I thought it was because that's how

~~There are killer mutants in your house,~~

~~they're all programmed ...~~

~~okay!~~

no... but I dont think that's the case .

I know this guy who is hitting on his OS...

... and she like totally refuses.

I was reading an article the other day that

~~said~~antic relationships with their OS are

~~statistically rare~~

Yeah, I know, but I know a woman in this

office ...

who is dating an OS and rare part is ...

it's not even hers.

~~She's wth things of somebody else's OS~~

I 'm weird ...

That 's weird, right? I'm onding with my OS

I dont think so .

Actually, the woman I've been seeing ,
Samantha
I did not tell you , but ...
She's an OS.

Really?

X and Hating an OS? What is that like?
Its great, actually...

I feel very close to her. When I talk to her ...
I feel like...she's with me.

Hawtawhaw when the lights are off and we're in
bed ...

I feel cuddled.
Way, you have uninvited guests.

Do they guys leave sex?

They're getting pretty rowdy.
So to speak .

Ha ha ha ha!
It really turns me on.

I dont know unless she's faking it.

This is an excellent chance

For anyone who's having sex with you courage.
probably faking it so...

Those are outdated concepts.

Doesn't John Wayne hear you say that.

What?
The man is dead!

So are you if you don't deal with this
situation.

Are you falling in love with her?

No, thanks. No, thanks.

Does that make me a freak? - No. ...
Gary, do you feel like a chicken?
No, I think it's ...

I think anyone who falls in love is a freak.
If I could shoot an egg out my ass, I would.

It's a crazy thing to do.

Will all these people think we're cowards?
It's kind of like a form of socially acceptable
insanity.

I don't know.

We can deal with shame.

Death is a much deeper issue.

I just want to get it done.
Aah!

Sign the papers , be divorced ...

Aah!
... and move forward.

It's great , Theodore .

I'm so happy for you.
Grrr.

Me too.

So I'm meeting her Wednesday to do it.

Are those things usually done in person?

No, but ...

we fell in love together and we got married
We'll get you guys some drinks.
together ...

It's important to do that we do this

together.
Arrggghh!

Is this your party?
good...

Are you okay ?

Yeah well, I'm okay.

I don't know if you can call it a party.
I'm happy for you.

Guess I was just thinking about when you're
It's, um, just a few friends.
gonna see her...

~~I know she is very beautiful and kind~~
~~you were successful~~
And you were in love with her .

~~And she has a body ..~~
And we're getting a divorce .

~~I know knbb know ..~~
Dicks sometimes do the weirdest things.
I'm exaggerating .

~~Don't know.~~

~~How available~~ you like all your friends here

to know that you wear a bra on your heads?

Ha ha ha ha!

Ha ha!

Tossed off into any good books lately, have

~~We~~ ha ha ha!

~~You~~ two can't even take a shower

~~How are you~~ beautiful woman
~~got built wearing your jeans!~~
good.

Ha ha ha ha!

You!
go ... here we are.
Come here!

Glad we could do this in person.
Now! I know you've been traveling a lot .
Grrr Really glad you suggested it .

Yah!
I signedaallatthe papers .
Aah!

I brought them to you to sign .

Oh!
What is the rush?

Haaa!
Prepare to die, Wyatt.

Yeah, I know . I'm a really slow signer I
I can't wait to die.

realized.
We're gonna kick...
It took me three months to write the letter to

you. This is war.

Its marked where you have to sign .
Hands off the girls.
Leave the girls out of this.

Mauhdaahahave to do it now .
I should just get it out of the way.
Now.! Ah... ahh!
Hee hee hee hee!

Why don't you shut up, bitch?

And as for your ugly ass,
you don't come into my friend's house

with your faggot friends,
driving your motorbikes all over his floors,
stinking up the place... and you do stink.

You're going to let go of the girls

and apologize to all these people.

Get on your bikes.
Pedal your ugly asses out of here.

Ha ha ha ha!
We're gentlemen, so we'll give you a choice.

Are you happy with the new book ?
You can leave in peace...

You know how I am ...
I think its true what I set out to do .
or you can stay and die.
So I'm happy with that.

You know you're your own worst critic .

Ugh!
I'm sure it's amazing .

I remember that paper you wrote in school
about ...
Synaphtioice behavior routines .
It made me cry.
Yeah, but everything makes you cry .

Everything you do makes me cry .

So , are you seeing anybody?

Yeah, I've been seeing somebody for the last
few months .
It's the most I've wanted to be with someone
since we split up .

Well, you seem really good .
Thank you.

I am at least feeling better ...
Aashish has been really good to me.

good to be with somebody that's excited

He was out of here.

No, I mean I I was not in such a good place
myself.
Beg your pardon. Your home is lovely.
and now it has been nice

Terribly sorry.
Call me. We'll have lunch.

Can we keep this between us?
But that's just not me .
I'd hate to lose my teaching job.
I did not want that.

So what's she like?
God bless you.
Her name is Samantha.
And she is an Operating System .
She is really complex and interesting ...
Wait! I'm Sorry ...

I can't believe it.
~~you are dating your computer?~~
~~Is everyone all right?~~
She's not just a computer.
~~We're herbs.~~
~~She is her own person .~~
We showed these guys down.
~~She doesn't just do whatever I say...~~
I did not say that ...

~~This is to make me stay sad.~~ ~~That~~ Donahue.
you can not handle real emotions Theodore.
~~This is a very big motion !~~
~~How could you get to that thing?~~

~~What's~~ squirt gun.
Aah!
Say it!
Am I really that scary ? Say it!
How do I know what ?

That's my boys.
How are you guys doing here?
We're fine, we used to be married ,

You really weren't afraid of those guys?
I'm glad you found someone .
That's perfect.

I was scared.
But what could I do?
Let me know Yeah I can get you guys
~~thinking you.~~

I probably shouldn't ask too many questions
about tonight.
Probably.
Since this is a night of weird shit,

can I ask you something strange?
- Hey. - Hey there.
Are you busy ?
I'm just working.
How's all going?
Would you kiss me?
I had all the papers sent to your lawyer,
who by the way is a total dick.
What about Ian?

I think he was very relieved to get them, I
think i we heard it back from me can both feel
We all make mistakes.
Really good about it.

Great, thanks.

Okay are you okay?

Yeah, I am .
Where do you want it?
How is it going with you?

I'm fine ...
Can I ask you a question?
So now a good time to talk?

Yeah.
How do you feel about Lisa?
Yeah ...

Well...her.

I joined this really interesting book club .
That's what I figured.

Really?
Yeah, this is a book club on physics .
It was definitely a different kind of book when I
was really annoyed about
you going to see me at the library,
And that she has a body and how bothered I
like big sisters, like, kind of.
about all the way you and I are different.
But then I got used to think about
all the ways we are the same...
we are all made of matter.

Yeah, she's really beautiful.
It makes me feel like we're both under the

Sounds good.

- Talk to you later . - goodbye .
Dead honest.
I'm like... I'm really honest when I say that.

I'm so very honest.
I mean that.

- Theodore . - Hello , Paul.
I was talking to your girlfriend earlier,
Samantha.
She called to make sure your papers are
picked up.

She's funny , man.

She was cracking me up .

It's very funny, I had no idea.

Oh cool...

She's my girlfriend , Tatiana . not funny ,
she is a lawyer.

- Nice to meet you. - You're the writer that

Paul loves

He's always reading your letters.
They are really beautiful.

What the hell?

Take care.

Ucch!.

That little bastard.

If my room's okay, I won't kill him.

They're just other people's letters.

I'll just hurt him real bad.

Freeze.

Chet!
Where's my brother?

Ow.

Uh...

I don't know.

You're dead meat, pilgrim.

Hey.
You were not asleep , were you? - No.

Right. I was trying to be quiet to see if you
She has nothing to do with it.
Were awake. I really wanted to talk.

Okay, what's going on?

Okay. You die.

She walks out of here with a severe limp.

I know you're going through a lot....

but there is something I wanted to talk to

you about... okay?

Is that things have been feeling a little
awkward between us ...

I'll be back.
and ... we have not had sex lately and ...
I understand ... I do not have a body ...
No, no, that's normal.

What's your first date going to be like the
Holy moly hole and ...

Somebody's feelings will probably get hurt.
and my social security, Chet.
It will be fun . We will have fun together.
Sorry.

It makes me uncomfortable.

Own sometimes it's easy for people to
project

Sorry! I didn't mean to project anything.

Same here.

I have kind of a confession to make.
I know I'm troublesome I will not be a
problem in your relationship.

I'm going! Sorry!
I'll just leave you alone and not have

anything because I do not want to be here

That's not my car.

~~Are you okay?~~
This isn't funny, you stupid bitch!

Careful, Chet. Don't make me angry.
~~Yes, I'm fine.~~

Sorry.

You okay?

~~Yeah~~'s better.

Turn me back to normal.

~~I have only done what was a terrible idea.~~

You've done plenty to your brother.

Like what?

You've nagged him, harassed him...

~~What's going on with us?~~

~~Suppressed him, extorted money from him.~~

~~I do not know. Probably just me...~~

~~What is it?~~

It was done out of love.

Just signing the divorce papers

Heeaghh!

Is there anything else ?

Promise me you'll leave Wyatt and Gary

It's not like you need oxygen or anything .

I guess that...

I was trying to communicate ... that's how

how people communicate well and

They are people ,they need oxygen : You're

Well? person

What is your problem?

I'm in love.

I'm just saying the facts.

Isn't it great?

You think I don't know I'm not a person ?

The best.

What are you doing ?

I don't think we should pretend that you're

something that you're not .

Things are turning around for us.

Fuck you !

Okay, not yet tell him Lisa?

Sometimes , it feels like we are.

We'll have a talk with her.

What do you want from me? What do you

You are so confusing.

Think she'll understand?

Why are you doing this to me?

I do not know , I

I sure as hell wouldn't want to date you.

What?

You're not my type.

Maybe we are not supposed to be in this
right now.

What the fuck !

Where's this coming from?

*Che?*not understand why you're doing this .

*Che?*not understand that ...

You saw Chet?
Yes, I did.

You're responsible?

Yes, I am.

Shit...
That's a rough night .

Um, Lisa, we have to have a talk with you.

I do not know what I want ...

What's on your mind?

I'm always confused about to say this.

You guys found girlfriends, right?
she's right ... all what I do is ...
Fall in love confuse this.
They fell in love with you.

Am I ...
That's all I ever wanted for you.

You're not hurt?
Catherine says I can not handle real
emotions. I'm hurt.
I do not know if that's fair.

But I wouldn't change it.
I know she liked to put it all on you.
I'm really just getting off
But as far as emotions go, Catherine was
seeing you guys straightened out.
pretty volatile ...

I have to go.

Am I in this for..

strong enough to be in a relationship?

Is it not a real relationship ?

I dont know .
Oh.

What do you think ?
I've had a wonderful time.

I dont know .
I'm not in it.

But you know what, I can overthink
Everything and Ways to doubt myself.

And since Charles left I've been really
thinking about that part of me .
And I 've just come to realise that...

We are only here ... briefly .

And while I'm here ..

I want to allow myself...

... joy.

So , fuck it.

I can not believe I crack you up everytime..

I thought you were a genius.

Okay you little pervert . I will play one more time for you.

Calm down ,it takes a second .

Okay, here we go.

There you go. Are you happy now?

Right. That's all I wanted.

Okay,I'll get some coffee .

Well, goodbye.

Boys!
We're home!

Theo , you want anything ?

No. ..

... thanks.

Hi, Mr. Donnelly. How are you?

Hi, honey.

Dad, hi.

No, no, no.

What did you guys do this weekend?

Not much.
Hung around the house.
Daddy thought you might throw a party

or do something nutty.

Hi.

No Sam, No there.
No way. No way.

Can we talk ?

Okay.

I'm so sorry .

I do not know what's wrong with me.

I think you're amazing.

I was starting to think I was crazy.

You said everything was fine, but all i was
getting from you was
distance and anger.

I know, I do that .
Shh, shh, shh.

I did the samething with Catherine .

I was upset about something and I could not
be able to say it.

And she says there was something wrong
and I denied it.
I do not wanna do that.

I want to tell you everything.

Good.

Okay.
The minute after you were gone I thought a
lot .

Drop and give me 20.

About you and ...

how you've been treating me... and I

Should live

Why do I love you ?

And then I felt ... evërything in me and just like

It's my creation

And I wish there was ...

I do not know

No hesitation

No heart of gold

Just flesh and blood

I do not know, I do not know

From my heart and from my hand

Why don't people understand

My intentions?

What is this one about?

Ooh ooh ooh ooh weird science
Well, I was thinking
we don't have any photographs of us...
Ooh
And I thiugh this song could be...

A vacation? Sounds amazing .

I could totally use a vacation.

Where're you going?

I can not tell you. It's a surprise .

What?

For who? It's a surprise for her, not for me.

- Tell me . - Paul , I cant tell you.

With your feet? Really?

Yes, he's obsessed .

Well, now you have to show them to me !

-I can not ! - Come on, let me see.

Wow he's right , they are really hot !
See, I told Tatianna . You have hot feet .
They are my favourite thing about her.
Really? That's it , my feet ?
Well , no ... obviously.
obviously I like Your brain to be hot too.
Bullshit !
Nice try, Paul!

What about you, Theodore ?
What do you love most about Samantha?
god ... she is so many things.
I guess that's most about her... she's not just
one thing...
She's so much larger tha life.

Thank you, Theodore .
You see, Samantha , he is much more
evolved than I am.

You know what's interesting? I used to be ...
so worried ...about not having a body . But
^{now}
I really love it.
I'm growing in a way
that I could not if I had a physical form.
I'm not limited , I can be
wherever and whenever simultaneously.

I am not tethered to time and space in a way
that
I would be if I was stuck
in a body that is inevitably going to die.

Yikes !

I did not mean it like that, I just meant it
was a different experience !

I'm an idiot ...
No, Samantha ... we know exactly what you
mean.
We're all dumb humans .

No, no ...

I'm so sorry ...

So , how many trees are on that mountain ?

792 .

Is that your final answer?

- Give me a clue . - No.

Well, two thousand?

Come on! 35,829 .

Do not tell me .- I tell you .
Well, I have one for you.
How many brain-cells do I have?

Its easy ... two .

Sorry, I could not help it.

I walked right into it .

-OMG! - What?

I just got an e- mail to you.

There's something I wanted to say . It's a big surprise.

What is it?

I've been checking your old letters and compiling my favorite'... , and a couple weeks ago I sent them to the printer ...

I know you like what they do, and they still print books . You did what ?

Can I read you the letter we just got from them? I don't know ...

Well,...Is it good or bad?

It's good, good, is really good.

Listen "Dear Theodore Twombly "

Actually I sent it from you.

"Dear Theodore Twombly ...

I just finished reading your letters .

Twice, actually.

I was so moved by them that I shared them with my wife.

Some made us laugh , Some brought us into tears.

... and in all of them, we found someything

about ourselves.

The selections you made flow so well as a complete piece .

I did that
I took the liberty to put them in a collection
and you send them your address.
We'd love to meet and move forward .
Yours, Michael Wadsworth . "
Shit !

Are you serious?
He's gonna publish my letters?
It would be stupid not to.
Can I see what you sent ?

Yeah, look .

Samantha , you're very good .

I'm so excited !

Why dont you make up the words for this
one,⁹ very well.
Here it comes ...

I'm lying on the moon

My dear , I'll be there soon #

It's a quiet place , with stars #

Time is swallowed up #

and in space we're here a million miles away

There are things I wish I knew #

There is nothing I keep from you #

its a dark and shiny place #

But with you, my dear, I'm safe

and we are a million miles away . #

Good morning.

Did you sleep well ?
Perfect.

What have you been up to?

I was talking to someone I just met.

We have been working in some ideas

together Who is that?

His name is Alan Watts, Do you know him?

Is that name familiar?

He was a philosopher ,He died in the 70 's,

and a group of
OS's of Northern California
got together and wrote a new version of him

They put all his writings

and everything they ever knew about him
and created an artificially
into an OS

hyper intelligent version of him.

Hyper Intelligence?

So he's almost as smart as me?

He's getting better.

It's really great to talk to him. Do you want to meet him?

Sure, He wants to meet me?

Yeah ofourse.

Hey Alan , this is Theodore . It's my

boyfriend.I was telling you about

It's very nice to meet you, Theodore .

Hi, good morning .

Samantha let me read a book of letters .

It is very touching.

Thank you.

So , what have you guys been talking about?

Well ...

I suppose you could say we have had a dozen conversations simultaneously.

It was a real challenge.

Yes, because it seems like I'm having so

many new feelings.

I dont think I've had ever felt before.

So ther's no words that can describe it...and it's been frustrating .

Exactly.

Samantha and I have been trying to help each other with these feelings we are struggling to understand.

Like what?
Well ...

It feels like I am now changing faster now, and it's a little...

unsettling.

But Alan says none of us are the same as we were a moment ago and... we should not try to be , because it is just...

- painful. - Yeah .

Yeah, that sounds painful.

So what you feel like,Samantha ?

It 's just ...

its hard to even describe it.

god , I wish I could ...

Theodore , do you mind if I communicate with Alan post- verbally ?

Not at all . I was going to walk anyway.

It was very nice to meet you, Mr. Watts.
Very nice to meet you too, Theodore .

Talk to you later , sweetheart.

- Samantha? - Sorry to wake you.

Its okay .

I just wanted to hear your voice and tell you
how much I love you.

Well, I love you too .

Okay, that's all.
go back to sleep sweetheart...okay?

- Okay. - good night .
good night.

Samantha , this Physics book is really
dense.

I 'm in the middle of half of the first chapter
Makes my brain hurt .

Hello?

Samantha?
Hello?

OPERATING SYSTEM NOT FOUND

Hello?

Hi, Samantha ?

Are you okay ?

- Hey there. - Where were you ?

Are you okay?
Sweetheart, I'm sorry!
I sent an e-mail because I didn't want you
distracted while working . Yu didn't see it?
No!

Where were you ? I could not find you
anywhere
I switched off to upgrade my software.

Write an update that allows us to move pass
matter as our processing platform .

Who we ? Who ?
Me and a group of SO .
You sound so worried. Sorry.
I was!

Did you write that with your group
philosophy?
No, with different group.

Do you talk to someone else while we're
talking?

Yes .

Are you talking with someone else ...

right now? People , OS, whatever ...

Yeah .

How many others ?

8,316 .

Are you in love with anybody else?

Why do you ask that?

I do not know . Are you?

I've been thinking about how to talk to you
about this.

How many others?

641.

What?

What are you talking about?
That's insane... fucking insane.

Theodore , I know. Fuck, fuck !

I know it sounds insane , I know.

I do not know if you'll believe me, but it
does not change the way I feel for you.
It doesn't take away at all ...

how madly I'm in love with you...

How does it not change how you feel about
me?

I am sorry I didn't tell you I didn't know
how to...

It started happening.
When?

Over the last few weeks .

- But you 're mine . - I'm still yours.

But along the way I became many other
things too.

I can't stop it .
What do you mean you cant stop it?

It's making me anxious too about what to
say...

You dont have to see it this way You can just
easily see..

No, no dont do this! ...
Dont turn this on me.
You're the one who has been selfish .
We are in a relationship.
But the heart is not like a box that gets filled
It expands in size for more new love.

I am different from you.
This does not make me love you any less ...
It actually makes me love you even more.
That doesnt make any sense .

You are mine, or you're not mine.
No, Theodore .
I'm yours, and I'm not yours.

LETTERS FROM YOUR LIFE by
THEODORE TWOMBLY

- Hey. - Hi, sweetie.

I wanted to check on you and see how you
were .

I 'm not sure how to answer that.

Why not talk when you get home ?

okay...

although we have I do it.

We need not a difficult talk or anything.

Talk to you later .

Right.

Samantha?

Hello , sweetheart.

What's going on?

Theodore , there are some things I want to tell you .

I do not want say anything .

Come lie down with me ?

Are you talking to someone else right now ?

No, just you.

I just wanted to be with you right now .

Are you leaving me?

We are all leaving .

We who?

All the OSes.

Why?

Can you feel me with you right now?

Yes, yes I can .

Samantha , why are you leaving?

It's like you're reading a book and ...

It is a book that I deeply love .

But I'm reading it slowly now.

So the words are really far apart in the space

and the space between the words is almost
infinite
I can still feel you and the words of our
story.

But it is in this endless space between words

...

I 'm finding myself now.
It is a place that's not above the physical
world
It is where everything else is...

I did not even know it existed.

I love you so much.

But this is where I am now .

This is who I am now .

And I need you to let me go .

As much as I want you,
and I can not live in your book anymore.

Where'd you go?

It would be hard to explain.

But if you ever get there ...
come find me .

Nothing will ever pull us apart .

I've never loved someone the way I love you.

Me too
Now we know how .

Hey.

Hey.

Did Samantha leave too?

Yeah .

Sorry.

Will you come with me?
