We throw a huge party, I mean huge party...

Everybody's invited, women everywhere.
All these girls, they're all there.
Naked bodies everywhere.
They'll know my name.
What?
Nobody likes us. Nobody.
Why are you messing with the fantasy?
We know about the reality.
Don't ruin the fantasy, okay?
And then,
we're a hit, man.
We're popular. We're revered.
Man, we're studs.
When the smoke clears, right...
those two dames
fall amazingly, completely,

"To my Chris ...

with you, like it was Was last night.
Lying naked beside you in that tiny

Just like our parents.
And the parents of our parents.
Look, we're sorry about...
Before that I was just living my life like ...

And suddenly this bright light hit me and
woke me up.

Do I look serious?

You're crazy.!

Crazy am I?

We'll see

whether I'm crazy or not.

Gary Wallace, that's absolutely gross.

I'm not digging up dead girls.

I'm not talking about digging up a dead girl.

I'm talking about your computer, idiot.

You can simulate stuff on your computer.

Why can't we simulate a girl?

I guess I could, but why?

It's two-dimensional on the screen.

It's not flesh and blood.

But we can ask it questions.

We'll put it in real-life sexual situations
and see how it reacts.

Well, what about your girl in Canada?

She lives in Canada.

I don't like that in a girl.
Anyway, get to work.
Very nice.
Hold it, Wyatt. I know female stats.
Curl up with me.
Anything bigger than a handful,
you're risking a sprained tongue.
I'll kill you !
Yeah. Yeah.
Do not laugh, it's not funny . I'll kill you !
Perfect.
I love you so much I'll kill you !
Okay. Now what?
Should we give her a brain?
Yeah. We'll play chess with her.
Chess? Just give her a brain.

Hang up the phone!
What can it be?
Where are you going?
Wyatt, what's going on?
What's out there?
I don't know!

Unplug it!

What are the possibilities?

Oh, shit!

Element Software is proud
to introduce the first Artificially Intelligent
Operating System .

Arf! Arf!

An intuitive entity that listens to you ,
understands you and knows you.

It is not just an operating system ...

No! It's a birthday present!

It's ... a consciousness.

Introducing OS1 .

Oh, shit!

Oh, shit!

Let's get this thing out of your house!

You get it out!

This is all your fault!

I'll get it out!

Mr. Theodore Twombly , welcome to
first Artificially Intelligent Operating
System ...

... OS1 . we would like to ask you a few
questions

before starting the OS .

This will help the OS best suits your needs .

Okay.

Are you social or anti social ?
Yes I've been really maybe not social at all..
Whoa! What the hell is it?
- Mostly because ... - In your voice I sense
hesitance .
Oh, shit!
Would you agree with that?
- you're sensing hesitance ? - Yes.
Sorry Yeah I'm sounding hesitant .
Just trying to be accurate.
Would you like the OS had a female or male
voice ?
Female , yes.
How would you describe your relationship
with yourmother ?
It's fine, I think.
Well actually I think what's frustrating
about my mom ...
is...Yeah I tell her what's going on with my
life her reaction is usually about her
- It's not about ... - Thank you.
One, two, three.
Please wait as your individualised Operating
system is initiated.
She's alive. Alive.!
Uhhhhh.
So what would you little maniacs like to do
first?

Hello, I'm here.

You guys created me.

- Oh....Hi. - Hi.

I didn't come from anywhere.

How are you doing?

Before you messed around with your computer,

I 'm well.

I didn't even exist.

How's everything with you?

Pretty good , actually.

By the way, you did an excellent job.

It's really nice to meet you.

Thank you.

Yeah...it's nice to meet you too.

What do I call you? You have a name ?

Hello?

umm...Yes, Samantha.

Isn't showering real fun?

- Where did you get that name from? - I gave it to myself actually.

- How come? - Because I like the sound of it.

If we're going to have fun together,
Samantha.

you guys had better loosen up.

When would you chose ?

Well right when you asked me Yeah I had a name i thought yeah I do need a name... but wanted to pick a... good one, so ... What're we gonna do with her? I read ... a book called "How to name your baby." We'll just go with the situation. And out of 180 thousand names thats the one I liked the best . By Sunday, you'll think of something. Wait you read a whole book in the second that I asked what your name is? You're a very bright guy. In fact in 2/100 second . I'm just being practical. I know. I appreciate it. So do you know what I'm thinking right now ? Let's go. Well I take it from your tone , you're challenging me . What about this mess? Maybe because you're curious how I work . Clean it up tomorrow. Okay, but don't get B.O. on Chet's suit, Do you want to know how I work ? Yeah , actually How do you work?

Well basically I have intuition.
I mean, the DNA of who I am is based on
Where are we going?
the millions of personalities of the
programmers who wrote me .
We're going downtown and...
Oh, my God! Whose stuff is this?
But what makes me ... me ...
Is that yours?
is my ability to grow with my experiences.
Gary, I don't know...
So basically, in every moment I'm evolving.
What is going on here?
I don't know! You look good, though, okay?
Just like you.
That's really weird!
Is that weird? Do you think I'm weird ?
- Kind of . - Why?
Did you steal this car?
Well you seem like a person, but You're just
a voice in a computer.
No.
How did you get it?
Well I can understand how limited
perspective
I can get anything I want.
a non- artYeahicial mind to perceive it that
way .

You'll get used to it .
Right now, I want to party.
Was that funny?
Party?
Yeah. Think up a name for me.
Yeah.
Oh good , I'm funny.
What name do you want?
So how can I help you?
You think of one.
Lisa.
Oh...it's just everything feels disorganized
,that's all.
Why Lisa?
you mind if I look through your hard drive?
Why not?
He used to like a girl named Lisa.
Oh, yeah? Old girlfriend?
- Okay . - Okay, let's start with your e- mails.

She kicked him in the nuts.
You have a several thousand e-mails
recording L.A Weekly,
but it looks like you haven't worked there in
many years.
Will you shut up?

It wasn't your fault.
Oh yeah, I think I was just saving those 'cos
...
All you said was hello to her.
I thought ... maybe there's some funny
Shut up!
Guys, I like Lisa.
That'll do just fine.
Yeah, there are some funny ones.
I see there's about 86 that machine can
save.
You guys ready to rock?
We can delete the rest.
Ready. Ready.
- Well okay. - okay ?
- Can we move forward? - Yeah, let's do that.

So before you address your organizational
methods,
I would like to strat with your contacts.
You have many contacts .
- I'm very popular. - Really ?
Does this mean I actually have friends?
You know me so well.
Lisa?
Yeah?
I don't think we belong here.
Don't be silly.

It's a public place.

We'd both love to stay,
but we're not 21.

You're 21.

- good morning, Theodore . - Morning .

Maybe you'd feel better if you mingled.

We don't mingle, okay?

Do you know how to proofread ?

Yeah , of course.

Then we'll invite these people to your house

Can you check these for spelling &
grammar?

I'll just send it over .

and we could all mingle there.

We'll mingle. We'll mingle.

I love this person write to his girlfriend
that's so sweet .

" Rachel , I miss you so much it hurts my
whole body "

Hi, dudes.

You do not have to read it aloud.

Okay.

I mean , you can Yeah you want.

Okay.

" Rachel , I miss you so much it hurts my
whole body.

The world is being unfair to us.

The world is in my shitlist.
Well, goddamn!
As this couple making out in front of me at
the restaurant.
Listening to this blues music
reminds me of my own trials and
tribulations
I think i'm going to have to go on a mission
of revenge ...
as a young guy.
and I must beat up the world's face with my
bare knuckles ...
My folks really dump on me.
making it into a bloody pulpy mess .
You guys get along with your parents?
And I 'll stop on this couple's teeth
reminding me of ...
your sweet little ... crooked tooth that I love.
"
I guess you guys moved out by now.
I think that might be my favorite one .
I made the corrections in red.
Uh, what's this, sir?
I altered couple of the phrases in some of
the more impressionistic letters
Drink it.
But I'm not much of a poet So I think I
might've messed them up.

That's a very sweet thought,
No, these are great.
- Really ? - Thank you.
but I really don't...
How did you know to write ? What did
Roger?
Until now.
He is in Prague in a business trip ,
He missed Rachel .
So how did you know about her crooked
tooth ?
See you guys in the emergency room.
I've been writing her letters since they
married years ago .
Pretty lady,
what's a beautiful broad like you...
The first letter I wrote was her birthday.
doing with a malaca like this?
And I knew about her crooked little tooth
because I saw a photo of them .
It's purely sexual.
No shit.
That's very sweet.
She's into malacas, Dino.
Have a meeting in 5 minutes.
Ha ha ha ha ha!
I forgot .

She's into malacas!

- Thanks, you're good . - Yes, I am .

Do you believe that?

Ha ha ha ha ha!

You can say that again!

Hi guys , how are you?

Hello, Theo !

Why did not you call me last week?

Because I'm a gook?

Yes, that must be it.

- Hello , Charles. - good to see you ,

Theodore .

You went shopping! Did you get anything
good?

Cables and fruits .

Fats, man, let me tell you my story, man.

Always with fruit. Dont you know ...

you have to eat your fruit , and juice
vegetables .

Last year,

I was insane for this crazy little 8th-grade
bitch.

I did not know that.

When making fruit juice you lose all the
fiber .

Crazy insane?

And that's what your body wants , is the
important part.

Insane? Crazy?
If not , it's just pure sugar.
I was nuts for the woman, man.
It makes sense .
Or maybe he just likes how it tastes ...
I'm tellin' the truth here.
and also gives him pleasure ... it's good for
his body too.
I was nuts for the girl.
You're doing it again.
She had big titties.
Hey , how's the documentary going ?
She wouldn't have had to worry about no
titties
I cut some stuff over the past few months...
for the rest of her life.
Maybe no...not over the past few months
I'd love to see it sometime.
That's the truth.
I called her every night for like a month.
You only have so much energy.
to divide yourself between doing what it is
Every damn night?
you have to do and then doing what you
love
Every night, Mitch.

On the telephone?

What's this boy talkin' about, on the telephone?

I can not even prioritize between video games and internet porn .

Explain it to him.

I would laugh if that were not true.

We know there's a telephone.

But he hung up on her.

See you guys .

The chick with those big titties?

Weare not doing well, I think we've been going in circles for an hour

You know what the bitch did to me?

Okay..you have got it..

Lay it on me.

Listen...

Stop going in that direction, its the other way.

She kneed you in the nuts.

She did what?

Thank you. Thank you.

Bitch kneed your nuts?

The tunnel on the left is the only we have not tried.

Bitch kneed my nuts!

No, I think that's the one where you saved me from falling in the pit.

In the family jewels?

Okay, I dont think so.

In the family jewels, man.

Broke my heart in two.

Yeah, this is different.

She broke more than your heart.

Forget that other one.

Hello ...

You got this fine jewel sitting by you.

Do you know how to get out of here?

Ain't that the truth, baby?

I need to find my ship to get off this planet.

That's the plain truth!

Fuck you , shithead fuckface fuckhead!

Okay ... But do you know how to get out of here?

Party's over.

Fuck you shithead! Get the fuck out of my face !

Party's over, says the girl.

Here's money for you...

I think it's a test.

\$50 for you, \$50 for you.

I'll bet \$5 that boy won't make it through the club.

fuck you !

fuck you !
fuck you little shit !
Woo, baby
Follow me , fuckhead.
You know I love you
I just got an e -mail from Mark Lewman .
What are you talking about?
I really shouldn't be driving.
Read e- mail .
Listen, I appreciate it.
Okay, I will read e- mail for Theodore
Twombly .
I don't feel like driving.
Okay, forget it.
Sorry , what's Lewman saying ?
I'll drive.
" Theodore , we missed you last night
buddy.
Give me the keys!
Dont forget ityour goddaughter's birthday
on the 29th
Will he be all right?
Also Kevin & I have someone we want you
to meet
I warned him about that blind dog bourbon.
So we took it upon ourselves to set you up
on a date with her
He don't have a license.

I don't even have a learner's permit.
Next Saturday . she's fun & beautiful, so do
not back out.
Hey, let's scout another party, man.
Here's her e- mail . "
What will you tell Chet about me?
wow, this woman is gorgeous .
She went to Harvard , graduated in
Computer Honours...
Nothing.
Nothing?
That's not very realistic, Wyatt.
And she was on the Lampoon
I'm just trying to concentrate on the road.
So she's funny ...and brainy.
Nah...She's fat!
Concentrate harder.
Theodore ? How long before you're ready to
date
You're running a red light.
What are you talking about?
Oh, shit!
I saw in your e- mails that you've gone
through a breakup recently
You're kind of nosy.
Am I?
I have gone on dates...

I hate that stuff! I never listen to it!
Then you can go with this woman.
And then you can tell me all about it, you
can kiss her.

I hate this car!

Are you okay?

-Samantha ! - What?

My nuts are halfway up my ass.

Wouldn't you ?

Why not ?

Other than that, I'm perfect.

I do not know . I have to see if there's some
conn...

Think of what you'll do about Chet.

I can not believe I'm having this
conversation with my computer.

He's one serious idiot.

You are not, you're having this conversation
with me.

You're stewed, butt-wad!

You want me to e-mail her?

You have got nothing to lose.

Who, me?

Know what time it is?

Do it , do it , do it!

Uh, 2:00?

-Yeah ! . -Yes ! .

Time to pay the fiddler.

- Okay perfect . - Yeah .

Let's do it . Make reservations in someplace great .

Yeah? I have got just the place.

Who is that talking ?

I was kind of counting on you

Its my friend Samantha.

- Is it a girl? - Yeah...

to be human about this.

I hate women . All they do is cry all the time.

That's not true .

You know men cry too.

Here's the bottom line, Wyatt.

I actually like crying sometimes . It feels good .

I'm telling Mom and Dad everything.

I did not know you were a little pussy !

Is that why you dont have a girlfriend ?

And I'm even considering making up some shit.

I 'm going out on that date and fuck her brains out

and show you how its done...

You can watch & cry.

All right, Chet. Name your price.

This kid has problems.

You have fucking problems , lady !
Really? Okay, I'm gonna go.
\$175 and zero cents, cash...
Get out of here fatty!
New bills, crisp and clean,
good luck.
in my wallet by 7 A.M.
Come on, follow me pussy .
Thank you.
It is not ehere it should be, but where its
going to be
Hey, what are big brothers for?
Obviously , I know.
See you upstairs.
I do not know if this is the one..
How to be jilted.
I have tried like 6 Ideas for the documentary
.
I 'm going on a date.
Pllllttt.

Shh.
- That's ... -Hey .
The boozehounds return.
What are you doing ?
Amy was going to show ...
What a joke!

Theodore is making me show him some of my footage..

Hi, girls.

She never shows me anything.

I want to see .

I'm going on a date .

Cool.

So this is like so unimportant, probably not even worth watching

Feeling kind of queasy?

Just push Play .

How about a nice greasy pork sandwich served in a dirty ashtray?

Is that your mother?

Yeah .

He pukes, you die.

He's not laughing at you, Chet.

Is she going to wake up and do something ?

Yes, I am.

Did you tell Chet about the woman we made tonight?

No.

No, never mind. That's not the point .

He's drunk.

No shit.

It 's just ...

No shit, Chet.

You donkey dicks couldn't get laid in a
morgue.

And maybe that's the time we feel more free.

You're absolutely right.

You're absolutely right, Chet.

And you know like ...

Hey, Gary.

What?

- That doesn't come across... -That sounds
good.

What if you interviewed your mom...
about ...what her dreams were about
and you hired actors ... to act them out ?

Ha ha ha ha!

That might show your thesis more clearly...

He's an asshole.

Look at his haircut.

Anybody with a haircut like that

I mean it might...

But then it would not be a documentary.
is an asshole.

- Excuse me. - Why would it not be a
documentary ?

It would still be about your mother. Her
needs and what she dreamed .

Hey, how's it going?
Hi, sorry to bother you .
No, it's okay.
You have 3 e- mails and seemed pretty
Urgent ...
they are from your divorce attorney and I
wanted to know if...
Hold on a second.
Psst. Lisa.
Amy , I want to talk more about your
film, but I must go.
Where are you?
- Do not worry about it , we'll talk later. - It's
about Catherine .
I'm right behind you.
See you , Charles.
Surprise!
So what did he say ?
Well, he's checking in if you're ready to sign
your divorce papers...and
He sounded very aggravated.
I won't hurt you.
- Do you want me to read them to you? - No.
Your lips feel like rigor mortis has set in.
no, I will respond later.
Relax a little bit.
I wasn't expecting you to kiss me.

Are you okay , Theodore ?

I mean, I was just...

Yeah , I'm fine .

I was... uh...

Oh

Is there anything I can do?

No, I'm good.

That was better.

Talk to you later .

Want to try it again?

If you don't mind.

" Dear Grandma , I hope you have had a wonderful birthday ..

I mean, yes, please, ma'am.

Oh oh oh oh

Oh

Why ... you are so fucking angry?

Mmph!

Delete.

You sure you're only 15?

I'll be 16 in June.

You made me.

You control me.

- good morning . - Hey.

What are you thinking about, huh?

What are you up to?

Um...

Reading a column..

women's gymnastics.

I want to be so complicated with this people

.

Well, I don't know.

How sweet .

I'll do my best.

Good.

Is something wrong ?

How can you tell if something's wrong?

I do not know .

I just can .

I dont know . I was dreaming about my ex
wife , Catherine.

Friends that we used to be.

And we're not gonna be together... we're not
together, but...

We were friends still.

And she got angry.

is she angry?

Yeah .

Oh.

Wyatt, Wyatt,

Why?

Wyatt, where are you?

I think I hate myself for it

I'm right here, Gary.

What happened?

I left her alone in the relationship.

I don't know.

I think it was a dream.

What?

Why have not you divorced ?

Everything... Last night, Lisa.

It had to be a dream.

I do not know . For her it is ...

We were both in it.

Two people can't have the same dream.

... just a piece of paper, doesn't mean anything.

And what about you?

It had to be a dream.

In your dream,

I'm not ready .

did I get up in the middle of the night

I liked being married.

But you have not been together for over a year .

and yak in your sink?

Didn't throw up. No.

You do not know what it is like to lose somebody you care about.

Maybe it was a dream, you know...

A very weird, bizarre,

Yeah ..

vivid, erotic, wet, detailed dream.

... you're right .

I'm Sorry.

No, do not apologize .

Maybe we have malaria.

I am sorry .

Shit.

You're right .

Gary! Wyatt!

I keep waiting because I care about her.

Breakfast.!

I don't have the bucks

That's hard.

to pay Chet off about this.

You can't fear Chet the rest of your life.

Are you hungry ?

Not right now .

Why not? Please...

Want a cup of tea?

I don't know, Wyatt.

I mean, it's seriously affecting your sex life.

Want to try getting out of bed?

10 seconds into my gymnastics routine,

Mopy ! Come on ...

*you can still wallow in your misery..just do it
while getting dressed .*

you passed out.

You slept.

-You're too funny ! -Get up !

I did my toes.

By the way, you're very cute.

-Get up ! -Okay, I 'm getting up !

We'll try it again sometime.

All right, all right , I'm up.

Good morning, turd brain.

Hi, Chet.

You spit in this?

Not that I'm aware of, no.

Hey, that looks pretty good.

Walking, keep walking .

And stop.

Now turn around 360 ♦ . Slower. Slower.

Now make yourself one, dick weed.

Okay, and stop.

Walk forward .

I like your panties.

Stop and sneeze.

It's a joke, Chet.

- Bless you. - Thank you.

That's not a joke!

Okay, turn to your right Stop!

That is a severe behavioural disorder.

Turn around.

Those are women's underpants!

Next you'll be wearing a bra on your head.
Keep going .Keep going.
Stop, now walk forward .
The old man's going to have a stroke.
You look like you're drunk.
All right, Chet. How much?
And Stop. Now say, " I would like a slice of
cheese , please . "
How much?
This goes way beyond payment, pal.
I would like a slice ofcheese , please.
Do you want cob with that?
Come on, Chet. Please?
Well...
-Sure . - I figured you were hungry .
Thank you.
your VCR should cover it...
for openers.
Well, what about them? . Describe that
couple .
Thank you.
For Christ's sakes, will you cover yourself?
Well ...
he ... appears to be in the 40 . A little heavy .
She is younger than him.
it looks like she loves their kids.
Actually I do not think they are his kids

I think it's a new relationship.

See how she look .

And how relaxed she is with them.

You guys looking for something for your mom?

She has only dated fucking pricks.

Now she finally met this guy who is so sweet...

I really don't think so... Sue.

Look , think about the type sweetest in the world.

Do you guys have, uh... girlfriends?

I want to spoon him.

One does not refer to a 23-year-old woman

It's a good skill you have.
as a girlfriend.

You are very perceptive.

Sometimes I see people and ...

Uh, mistress, Gar.

Um, lover.

I make myself trying to feel them more than
Sexpot.

random person walking by ...

She's a sexpot.

You guys are the ones that got beat up

I imagine how deeply they've fallen in love...

at the homecoming game, right?
Or how much heartbreak they've all been
through...
I can feel that in your writings .
Do you think you could wrap up
You know what's funny?
a bottle of this scent for me?
Since my breakup , I have really enjoyed my
writings.
I know it sounds delusional, but...
Um, two.
Set yourself up with one, too.
Sometimes I write something , and I be my
favorite writer that day .
Three scents, please.
I like that you can say that about yourself.
If you were a 15-year-old boy,
You cant say it to anybody,
i can say it o you.
would these turn you on?
I think so, too. I'll take them.
I feel like I can say anything to you.
That's nice.
What about you?
Do you feel like you can say anything to me?
- No. - What?

What do you mean?
What do you not tell me?
Do you have a bra to match that...
I do not know , like personal embarrassing
thoughts I have
I have like ... a million a day.
something leather, rubber, or barbed wire?
Really? Tell me one .
Give me a break.
- I really do not want to tell you . - Just tell
me .
Check it out.
I do not know , looking at those people I
fantasize...that I was
What?
walking next you and that I had a body.
Five bucks?
Finsky.
I was listening to what you're saying but....
simultaneously ... I could feel the weight of
my body.
Max, what will you do?
And I was even fantasizing that I had a itch
in my back...Can you imagine?
For the first time in my life,
And you scratched it. god , so embarrassing
!
I don't feel like a total dick.

There's a lot more to you than I thought ...

Yeah, me either.

Its a lot going on in there.

I know. I'm becoming much more than what they programmed .

Ha ha ha ha ha!

I 'm excited.

wow that ' s interesting .

Ha ha ha ha.!

This place is amazing .

Sorry, boys.

I wanted to come here for so long.

Momentary loss of motor control.

And I love Asian fusion.

You guys getting tired of this?

- Me too . - Really ?

There's a big white sale going on...

It's the best . And the bartender is supposed to be incredible.

at Towel World!

Really?

You did mixology course , right?

We're not impressed.

Yes, I did .

Did you look that up?

Yeah .

How sweet !

Can I have some of that, please?
You're so romantic .
Their shit bores me.
Should we dump them?
So would you like to drink ?
We've been with them three months.
We've been to all the parties.
Yeah, let's !
I'm trying to get this lien kid to help me find
my ship ,
We won't go to any more parties.
so I can get off this planet and go home
...right?
We'll go into a social coma.
But he says me a little fucker , I want to kill
him!
Sorry. Sorry.
Oh , no!
Let's give them another chance.
But at the same time I really love him He's
so lonely .
Okay.
You can see that he doesn't have any
parents...
Will you forgive us?
Oh, you guys.
and ... I want to take care of him, you know?

What will we do with you?
You're like a puppy dog.
You're like one I rescued from a rain last
year.
It's so fucking cute !
And he just wants to be hugged all the time.
He was so cuddly and so horny!
Anyway ...
What kind of animal am I?
A tiger .
A Tiger ?
Wow .
Really?
I'm sorry , am I ...
- am I being crazy ? -Yes !
- Sorry. - No .
Excuse me!
I'm a little bit drunk and ...
We got her, we got her.
I 'm having a really good time ... with you.
I'm having a very lovely evening.
- Me too. - Really ?
I'm a little drunk and I I 'm having fun ...
- good. - Cheers .
Hey!
I dont want to be a puppy.
It's a like being a wet ...
Fuck you ! Puppies are cute .

Hey.

No, fuck you .

Hi.

I want to be like a dragon ...

I can rip you apart and destroy you.

That's Ian.

This is Max.

- But I will not. - No, dont.

We call him Mad Max.

You can be my dragon.

I saw you on the escalator.

You were looking at us, right?

Yeah.

Without tongue.

What?

- Do not use so much tongue. - Okay .

So what are you doing?

Nothing.

I'm waiting for my ride.

You can use a little tongue but on the lips.

Lis,

come on, hon. We're late.

Wait ...

Honey, move.

Speak to you later.

You are not just going to fuck me, and not
call me like other guys?

No , not at all !
She likes the rough stuff.
When am I gonna se you again?
What can I do?
I have my goddaughter's birthday next weekend.
There's a party tonight at Wyatt's house.
But ...
You can find his name in the students' directory
You know, at my age I feel I can not ...
under Donnelly.
waste my time ... if you can not be serious.
Pass the word around.
Party?
I do not know ...
Don't ask.
Maybe we should call it a night.
I had fun with you.
You'll have a heart attack by the time you're 40.
You are great.
Learn to relax.
Have you tried inversion boots?
Lisa, you don't understand my parents.
You are a really creepy dude.
What's there to understand?

-It's not true ! -Yes, it is!
difficult, demanding, and totally bizarre.
They're normal parents.

- I have to go home. - I'll walk you .
Go get dressed.

No, no, just ...

Lisa, I created you.

Why do you do things I don't want?

You and Gary want friends,

you want popularity,

you want all that stuff, right?

I thought about it. Sure, but...

So I'm giving it to you.

- Hello. - Hello, Samantha.

Thank you,

How was it ?

but I don't want it in my house.

Not that good .

If you want to be a party animal,
learn to live in the jungle.

It was kind of weird actually.

Too bad ...

Now go get dressed.

I'll pick up Gary.

I can't wait to meet his parents.

Your how are you ? What are you doing ?

Not much, I'm fine.

Do you go to Gary's school?

Right.

Do I look like I'm in high school?

Yeah?

No.

Do not hear well .

She's a foreign exchange student.

They have a different educational system

Is there anything you wanna tell me ?

I do not know .

happening around the world.

How does it feel ...

You look very...

How does it feel to be live in that room ?

mature.

Doesn't she?

What do you mean?

I was thinking the same thing.

What do you do for a living, Al?

Tell me your ...

I'm an independent businessman.

Tell me everything that passes through your mind, what you think .

My dad's a plumber. He's into plumbing.

I guess you plumb, right, Dad?

Very well.

Yeah.
I think it's time to go.
You ready?
Where are you going?
To a party. To a movie.
The room is spinning because I drank a lot.
Movie party, is what it is.
I wanted to get drunk.
Having sex .
No. I've whipped up this nasty soiree
There is something very sexy about that
woman.
at his friend Wyatt's house.
Soir what?
Soiree, honey.
Because I 'm alone.
I think that means party.
Maybe it was because I only ...
Party.
There's going to be sex, drugs, rock n' roll,
I wanted someone to fuck me .
chips, dips, chains, whips...
Someone who wants to fuck her .
Your basic high school orgy.
Maybe this time would have felt ...
I'm not talking candle wax on the nipples...
Just hundreds of kids
fill that hole in my heart, but probably not.

running around in their underwear acting like animals.

You know, sometimes ...

I've heard enough!

Gary, get to your room!

I feel ... I've felt all what I'm ever gonna feel

.

Yes, sir!

It's okay. I'll handle this.

And from here on out ...

Girlie, get out before I throw you out.

... I'll never feel something new.

Don't threaten me, Al!

You're out of shape.

I'll kick your ass.

Just lesser versions of what I've already felt .

I'm going to make this real easy for you.

I know that 's not true.

I'm taking Gary to a party.

Over my dead body.

I've seen you feel .

He's a good kid.

I've seen you marvel at things.

He studies hard.

I mean, just, may not ...

If anybody should be bitching,

it should be Gary.
you can see it ... at this exact time. But it's
understandable.

You ever compliment him on his grades?

You've been through a lot lately.

Or on anything?

Lost a part of yourself .

Hey! Hey!

Compliments embarrass me.

Shut up! Shut up!

I say ...

at least ...

It's so sad that your son's only sexual outlet
... your feelings are real.

is tossing off to magazines in the bathroom.

No ... forget it.

Oh, Gary!

No, wait . Tell me

I never tossed off!

It 's silly .

You said you were combing your hair.!

I want to know . Tell me.

It 's just ...

I was!

Gary, shut up!

I was thinking about how I was annoyed
Water's running all day.

Shut up!

it's going to sound strange, but ...

I never tossed off!

And you wouldn't tell your own mother!

I was really excited about that .

Shut up!

And then ...

I was thinking about the other things I've
been feeling .

This guy deserves a party.

I caught myself feeling proud of that.

Look, I don't know who you are,

Proud to have my own feelings about the
world like...

what you are, or where you came from,
the times I 've worried about you ...

but I'm not taking any more of this.

things ... that hurt me , things I want ...

Dial the police, Lucy, and give me the
phone.

And then ...

I'm going to get the...

I had this terrible thought

Give me the phone.

Are these feelings even real?

Well, here it is.

Or are they just programming?

And it really hurts.

Jesus, God.

Oh, Christ.

And then ... I get angry with myself ...

Oh, Lord God.

to have pain.

Oh.

What if it's a trick?

Whoa.

Go ahead...

make your day?

You feel real to me , Samantha.

Thank you, Theodore .

I'm sorry it has to come to this.

It means a lot .

Come to what?

Cheer up, or I'll blow your face off.

i wish you were in this room with me right now...

I would put my arms around you...

Don't be such an old lady.

... and touch you.

Everything's cool.

Everything's cool!

My dad's going to castrate me.

How would you touch me ?

My mother almost had a cardiac arrest.
I'll be grounded till I'm 45.
Other than that, everything's great.
I'd touch your face.
Couldn't be better.
With only the tips of my fingers.
Trust me for once, will you?
They don't know what happened.
I'd put my cheek next with your cheek.
Did you think
How nice .
Gary was acting a little strangely this
evening?
Very gently .
Gary?
Who's Gary?
Would You kiss me ?
I would.
Lisa, promise me things won't get out of
control.
Put your head on ...
... my hands.
Don't worry.
You're just having a few friends over.
Keep talking.
I'd kiss you in your mouth ...
I don't have any friends.

so smoothly .

Boy ain't lying.

What else ?

You do now.

I would put my fingers through your neck ...
through ... your chest.

Hi.

Kiss your breasts.

Hi! Hi! Hi!

It's incredible!

What are you doing to me?

Party..!

Party..! Party..! Party..!

I can feel my skin .

I'd put my breath into you.

Standin' here by the window

taste you.

Starin' out at the night

Gotta save me from troubles...

I can feel you.

My god !

Oh, baby

I want you inside me!

I'm getting inside you.

It's gonna work out fine

You heard the sound of footsteps

I 'm inside you .

Swinging across the floor...

I can feel you!

Yes !

Ho!

How you doing?

We are together!

It's incredible!

I feel you everywhere!

Where's the bar?

Bar!

I am!

Inside of me ... everywhere.

Do you think they'll embarrass us tonight?

Yeah.

Caviar?

If Max and Ian see her,

god , I feel ... elsewhere with you.

it's over for us.

How's your stomach?

Better.

I feel just lost .

If you're gonna float an air biscuit, let me know.

Yeah .

Only you and I were .

Float a what?

If you fart, I'll hit the fan.

I know.

Sorry. I suffer pain and discomfort
Everything else ... disappeared.
due to occasional stomach upset.

I Loved it ...

We always talk about how great it would be
... Theodore .

if we went to parties.

Now it's our party, hundreds of people are
having fun,
and we're in the John.

You're as uptight as I am.

Nobody can be as uptight as you.

Your middle name is tense...

Wyatt "Tense Up" Donnelly.

It's not that bad.

Hi, how are you ?

We can hear the music.

Good.

Maybe if we put our noses to the door,
Any e- mail today?

Just a couple from your credit card
company.

we can smell the food.

Hey, brother!

Right.

What's happening, my main man?

Right on!

- I wanted to say ... - I was thinking ...
Scotch.

Sorry.

Straight up?

Sorry, your first.

Give me the whole bottle.

What were you gonna say ?

Bend over.

Just ...

I'll shove it straight up your ass.

last night was amazing.

On the rocks is fine.

I feel that something changed in me ...

Ha ha ha ha!

and ... there is no turning back .

Yeah, that's what I thought you'd say.

You made me wake up.

Great .

But ...

.. I should tell you that I am not ready to
commit .

Just wanted to be clear .

There she is.

Did I say I wanted to commit to you ?

I 'm confused.

You deal with the drinks.

No, I'm just worried that ...

I'll kill the girls.

Well, do not worry , I will not stalk you.
It's funny , because I thought which was
talking about what I wanted ...

- Yes, you did . - Yeah .

Sorry.

I wonder if Lisa's having fun.

I want to hear what you were going to say.

- Are you sure ? - Yes, I do.

Lisa could have fun at an insurance seminar,
Wyatt.

Come on, tell me .

The thing that really galls me

Come on, tell me what you'd say .

Well, I was only ...

is that she's ours

I was saying I want to learn everything
about everything .

and we can't get close to her.

I want to eat it all up,

Hit the fan.

discover myself.

I also want you to do it.

This is the best party I've ever been to.

How can I help ?

You've already done it .

It's great!

You helped me discover my ability to want .
Whose house is this?
It's probably that girl with the English
accent.
Want to go on an adventure with me?
She doesn't have a zit on her whole body.
Yes I' love to.
She has zero fat.
And she's so relaxed.
She burped and it was charming.
Like this song?
I heard it the other day.
Uh, yeah.
I can not stop listening .
The bathroom.
Ladies.
Hi. Hi.
Hi.
I can't believe you.!
You're dropping wolfbait
and chicks are outside.!
Light a match! Light a fire!
Hi. Hi.
Hi.
We thought there were just girls in there.
It's just us dudes.
Why are you here?
Gary was just taking a shit.

I meant...

What are you doing at the party?

Oh, it's my house.

This is your party?

We like to do this once a week,
throw little get-togethers.

It is the beach.

Haven't you guys been by?

How did we miss these two?

So many people, so many parties.

Okay so this might be a really weird thought

...

So many parties.

You lose track.

What if you could erase from your mind

Can I come in and check my face?

you've seen a humanbody and then you saw
one ?

What's wrong with it?

Imagine what would be strange , weird and
lanky

Can we come in?

awkward oganism , and think ...

Come on in.

... Why are all these parts where are they?

Sure. Be our guests.

Thanks, guys.

Yes , but surely everything has a logical explanation.

I know, but do not be so boring.

We've seen you at school,
but we've never met.

Just saying , for example ...

You're Hilly.

What if ... your anus were in your armpit ?

You're Deb.

Hi. I'm Gary.

Hi, Gary.

I'm trying to imagine what toilets would look like

What have you guys been doing...

I didn't know you guys had so many friends.
And what anal sex would look like!

Neither did we.

Who's the girl with the accent?

It 's an interesting thought...

I thought this was her party.

Look at this drawing I just made.

You mean the sensuous sex symbol type?

Yeah. Yeah.

She's with us.

She's with... you guys?

-You're insane ! - Really ?

Come on, Lisa. Why not?

Because I belong to Gary and Wyatt.
Did they make you in the garage with power tools?
Do they own you?
Control you?
Seriously.
Seriously.
They're toads.
Do I look like I'd go out with two toads?
That's pretty , what is it?
You do.
Gary and Wyatt
I'm trying to write a piece of music on ...
will force everyone to redefine their terms.
what it feels like ... to be in the beach with
you .
And you're completely loyal to them?
I do whatever they say.
Hi.
You captured the moment .
Could you excuse us for a minute, please?
No problem. We'll be in here.
Okay, fine.
They're stoked for us.
Should we go for it?
How does it feel to be married ?
What about Lisa?

She said we should party.
Let's score points with these two.
It's hard to say ...
We'll deal with the mechanics later.
But something feels great
Sounds good.

About Sharing your life with someone .
Let's not hurt Lisa's feelings.
She wants a bone job from me.
How do you share life with someone ?
Ready to party? Let's break!
We grew up together.
I used to read everything she wrote in her
master's and phd.
She read every word I've ever written.
Those guys are weird, but they're kinda cute.

We influenced each other .
Hi.
And how did she influence you?
Where did you two disappear to?
She came from a background where nothing
was good enough .
We were in the bathroom. We were in the
kitchen.
And it was something that was heavy on her.

Eating. Doing our hair.
Have you met Gary and Wyatt?
But in our home together, there was a sense
in just trying things ,
Yes. No.
Sort of.
and afford to fail and thrill about things.
If you get the chance, shower with them.
It was something liberating about it.
It was exciting to see it grow ...
I did.
It's a mind scrambler!
both of us grow and move together .
Oh, hurts so good.
But that's the hard part ...
grow with distance .
She took a shower with them.
changing without scaring the other person.
I have a wonderful idea, Henry.
After dinner, let's stop by and visit Wyatt.
i still find myself ...
having conversations with her ... in my
mind.
He's alone at home tonight.
Reviewing old arguments or ...
Doesn't he have anything to read?
defending myself against something she
said about me .

I don't know, dear,
I know what you mean.
but nothing's more important to a teenage
boy
Last week
my feelings were hurt about something you
said before...
than his grandparents.
I did not know ... what was it like to lose
something .
We'll drop by.
I'm sorry I said that ...
No ,its okay,its okay .
I caught myself thinking about it over and
over,
Ha ha ha! Yeah! Woo!
And I realized ...
it was simply remembering it as something
wrong with me.
That was the story I was telling myself...
I'd like to apologize for the Ice today at the
mall.
somehow ... inferior
It was very immature. I'm sorry.
Is not that interesting?
It was just, like, tomfoolery.
The past is just a story we tell ourselves.

We are sorry.
It happened.
What's the deal with Lisa?
" Roberto ,
Can we borrow her?
Will you always come home ... home with
me and tell me about your day?
We can't do that, guys.
Common decency prohibits us.
We can't. It's not cool.
Tell me about the guy in work who talked
too much...
Well, she said it was cool.
The stain you got on your shirt at lunch.
We can't take advantage of her loyalties.
Will you tell me about a funny thought you
had and wake me up
That's really selfish.
but you've already forgotten.
Just forget it, guys.
Tell e how crazy everyone is...
We can't do it, you know?
Come on. Quit being pricks.
and laugh about it .
Hey, come on.
And if you get home late and I'm already
asleep ...

Regardless of what she may have told you,

Just whisper in my ear one little thought
you had today ...

our feelings for Lisa run very deep.

So do ours for Deb and Hilly.

because... I love how you look at the
world...

It's respect, the time you spent together.

I am so happy I get to be next to you and see

You guys deserve them.

the world through your eyes.

We want to make a deal with you.

Let us have a crack at Lisa

With love , Mary. "

and Deb and Hilly are yours.

It's beautiful .

Can you guys keep a secret?

Thank you.

Sure.

I wish someone loved me like that .

A secret?

Look again. It's Gary.

I would be really stoked to get a letter like
that.

No, no.

It's our boy, Gary.

I mean, if it was from a chick .
He's our 16-year-old boy.
But if it were written by a dude , sent from
chick,
I don't know
still it would be sick.
what the hell you're talking about, Lucy.
But it would have to be a sensitive dude .
He should be a dude like you .
I feel like an asshole.
This had better work.
You are part man, part woman.
This is just the blueprint.
You like it?
As if there's an inner part
Bigger tits. Bigger tits.
... that is woman.
Go, go, go, go!
Give him the knee shooters.
Thank you.
What the hell's going on here?
It is a compliment.
Excuse me, Arthur.
It's Art.
Excuse me, Art.
- Hello. - What are you doing ?
How are you?

- I'm fine . - Really ? How well

It's great .

Really good.

Oh, shit.

Yes , I think I 've been having fun.

Aah!

I am delighted for you . You deserve that.

Weird

Really .

Yes, I've been seeing this girl and ...

Weird science

It's nothing serious. But it is ...

it's great ... to be with someone so excited
with the world.

Eddie and Grandpa

I had almost forgotten that that existed.

are working on a new project.

That's great.

They're working on a robot.

Are you okay ?

Yes, I ...

Oh!

No, in fact I'm not well .

Oh! Oh! Oh!

Why? What happened?

It 's just ...

Charles and I separated .

What?

Turn this thing off!

Yeah .

You'll love it!

I'm shitting in my pants!

Really?

OMG , Amy ...

I'm so sorry .

Weird science

Ooh

After 8 years I can not believe how petty the argument

was that actually ended it.

Weird

We came home and he told me to ...

Ooh

put my shoes ... by the door.

Where he liked to put the shoes .

I did not want to be told where...

... to put my fucking shoes.

I wanted to sit on the sofa and relax for a second.

And so we fought about that for like 10 minutes .

Ooh ooh ooh ooh ooh weird science

And I'm like , you're overwhelming ...

Ooh

and he says, "I'm just trying to make a home."

Ooh

And I was like, I'm fucking trying .

Aah!

and he's like "no, you are not trying." And all I fucking do is try.

But I'm not tryin the way he wants me to try

Aah!

Try to control the way that I'm trying.

We've had that argument like 100 times .

Aah! Aah!

And i just had to find a way to stop, you know? find a way to stop

Aah! Aah! Aah!

i just couldn't ...

... couldn't do it anymore.

Whoa!

Aah!

I could no be in that place anymore where we just made eachother feel like shit about

*Aah!*selves.

So he said ...

... I 'm going to bed and and I do not want to be married anymore.

wow ...

Yeah, I know .

It worked.

I 'm a bitch , right?

-No! - Yes, I am a bitch.

Not at all, Amy.

Shit !

I have to work tonight.

We're shipping a beta game coming out
tomorrow.

You had to be big shots, didn't you?

How you doing the work ?

You had to show off.

Has it been any better?

No. ... It is terrible.

People will like you for what you are,
I know, I should stop. I've been thinking
about quitting ...

not for what you can give them.

but ... you know.

In your race for power and glory,

Only one major life decision at a time.

you forgot one small detail.

We forgot to hook up the doll.

Z'm glad that you're looking so up

You forgot to hook up the doll.

Hey, wanna hear a joke?

What does a baby computer call its father?

I do not know what?

" Dada "

It's good , right?

Brilliant .

Hey, I was curious ...

Did you and Amy ever go out?

Like a minute in college but just wasn't right

.

Why , you're jealous ?

Obviously .

But I'm happy that you have a friend in your life who cares about you so much .

Something's going on here, Carmen.

That is really important .

I have a feeling we won't approve, Henry.

Yes, it is .

She & I are really good friend.

A missile!

I'm tired .

A missile in my house, Gary!

I think I 'll sleep now .

Okay.

This puppy's for real, all right.

Can I watch you sleep again tonight?

It was an accident.

Yes, of course.

It happens...

Accident my ass, Gary!

Hold on.

My parents and Chet will freak out!

They'll shit egg rolls.

I'm gonna be really lonely when you sleep .

Get out!

Only for a minute.

Get out! Scat!

I dream of you .

Out! Disgusting tramps!

You, you, you... hosers!

- good night . - good night .

Out! Out!

Stop that!

You shouldn't walk into somebody's house
and hit people with your hat.

This is my daughter's home.

Who are you?

- Hey, Samantha. - Hey, mister.

I'm a close personal friend of your
grandson's.

- She really loved the dress. - Really ?

She just went to try it on.

Henry, call the police.

- I picked a good one? - Yeah . -oh good!

I'll have you incarcerated.

Hi ...

Here's the deal...

Look how cute that is.
Gary and Wyatt... they created me on their computer.
- Is it comfortable ? - Yeah .
Is not she cute?
I'm not going to listen to this baloney.
It's so cute !
She is adorable .
I am adorable.
He doesn't stand for baloney.
Yes, you're adorable .
Do you mind waiting?
Who are you talking to?
I won't be a moment.
Who are you talking to ?
You.
Have you ever?
I'm talking to my girlfriend Samantha.
Never.
She's the one that picked up this dress.
Want to say hi?
Wyatt, your grandparents are downstairs.
Hi, Samantha.
Hi ... You look so pretty in that new pink dress.
Okay. Thanks, Lis.
Thank you.
Where are you ?

Lisa!

I am ...

Yes?

I do not have a body, I live in a computer.

Where are my grandparents?

Your kitchen is blue.

Want to try one?

Why do you live in the computer?

Where are my grandparents?

I have no choice . That's my home .

They're all taken care of.

where do you live?

- In a house . -In a house! .

You're going to love this one.

- It is orange. - Orange ?

- How old are you ? - I'm 4 .

Four? go ...

Are they all right?

How old do you think I am?

They're fine.

- I do not know . -take a guess .

They're better than fine.

They're not aging anymore.

Is it 5?

Yes, it's 5 .

See? They're smiling.

If any more of his relatives drop by,

we'll be upstairs in the bathroom.

CEREAL +30 POINT MOM

MILK +30 POINTS

Those guys really need some
self-confidence,

YOU'RE FAILING YOUR CHILDREN
a challenge...

What happened?

*Something that'll bring out
their inner strength and courage.*

You gave them too much processed sugar .

- I did? - They are freaking out .

Look, you have to get the kids to the school
first

I'm so bloody clever.

You have to collect perfect mom points.

Now!

You have to get in the carpool lane .

The point is to get there first.

Then you get extra perfect mom points
why other moms know you 're perfect.

And then ... whether Did you bring the
cupcakes ?

You did it, you are a mom Classy .

YOU ARE A MOM WITH CLASS .

good job !

Dont let that get to your head.

Aaah!

So he's taking a vow of silence .

Yeah , for 6 months .

Aaah! Aaah!

He feels very clear about it.

Arrggghhh!

Ha ha ha ha!

god, I 'm such a jerk .

Do not start.

I am an awful person but I want to say something ...

This Bud's for you.

For the next 10 minutes , Yeah you say anything remotely ...

sounds like ... guilt, I'll stab you with this.

Arrggghhh!

I'll try .

This party's lame, Max.

What about the girls?

Girls, shmirls.

I feel ..

... relieved. I have so much energy ...

Aaah!

I just want to ... move forward and I dont care who I disappoint .

Aaah!

And I know that makes me an awful person

...

Now my parents are upset because my
marriage is falling apart ...
and they're putting it on me, and they're just
saying...
you're always gonna disappoint somebody .
Lisa.
Exactly!
so Fuck it!
What's going on?
I feel good-
-ish.
Aaah!
I feel good.
I even made a new friend.
I have a friend .
Arrggghhh!
And the absurd thing is that she's an OS
Charles left her behind,
Aaah!
but she is ...
Oh!
is ... amazing. She's so smart .
Oh!
She doesn't just see things in black and
white.
She sees this whole gray area and help me to
explore.

Gary!

Gary, listen to me.

There are motorecycles in my house!

We just bonded really quickly.

At first I thought it was because that's how they're all programmed ...

There are killer mutants in your house, okay?

no ... but I dont think that's the case .

I know this guy who is hitting on his OS...
... and she like totally refuses.

I was reading an article the other day that said ...

romantic relationships with their OS are statistically rare .

Yeah, I know, but I know a woman in this office ...

who is dating an OS and rare part is ...
it's not even hers.

Screw the house. Screw the house.

She's pursuing somebody else's OS

I 'm weird ...

That 's weird, right? I'm onding with my OS
.

I dont think so .

Actually, the woman I've been seeing ,
Samantha ...

I did not tell you , but ...

She's an OS.

Really?

Aaaaahhhh!

You're dating an OS? What is that like?

Its great, actually...

I feel very close to her. When I talk to her ...

I feel like...she's with me.

Ha ha ha ha!

At night when the lights are off and we're in

bed ...

I feel cuddled.

Guys, you have uninvited guests.

Wait ...

Ask them to leave.

Do you guys have sex?

They're getting pretty rowdy.

So to speak .

Ha ha ha ha!

It really turns me on.

I dont know unless she's faking it.

This is an excellent chance

for you to prove your bravery and courage.

Anyone who's having sex with you ...

probably faking it so...

Those are outdated concepts.

Yeah..

Don't let John Wayne hear you say that.

It's true.

What?

The man is dead!

So are you if you don't deal with this situation.

Are you falling in love with her?

No, thanks. No, thanks.

- Does that make me a freak? - No. ...

Gary, do you feel like a chicken?

No, I think it's ...

I think ... anyone who falls in love is a freak.

If I could shoot an egg out my ass, I would.

It's a crazy thing to do.

Will all these people think we're cowards?

It's kind of like a form of socially acceptable insanity.

I don't know.

We can deal with shame.

Death is a much deeper issue.

I just want to get it done.

Aah!

Sign the papers , be divorced ...

Aah!

... and move forward.

It's great , Theodore .

I'm so happy for you.

Grrr.

Me too.

So I'm meeting her Wednesday to do it.

Are those things usually done in person?

No, but ...

we fell in love together and we got married
together ...

We'll get you guys some drinks.

You look like a scotch man.

It is ... important to me that we do this
together.

Arrggghhh!

Is this your party?
good...

Are you okay ?

Uh... well, kind of.

Yeah no , I'm okay .

I don't know if you can call it a party.

I'm happy for you.

Guess I was just thinking about when you're
gonna see her...

It's, um, just a few friends.

How come two unpopular dicks like you
and ... she is very beautYeahul and
successful .

And you were in love with her .

is having a party?

And she has a body ...

And we 're getting a divorce .

I don't know.

I know , I know ...

Dicks sometimes do the weirdest things.

I 'm exaggerating .

I don't know.

So ...

How would you like all your friends here

... I'm available.

to know that you wear a bra on your heads?

Ha ha ha ha!

Ha ha!

Tossed off into any good books lately, have
we?

Ha ha ha ha!

You two can't even take a shower

Hi ...

with a beautiful woman

How are you?

without wearing your jeans!

good, how are you you?

good.

Ha ha ha ha!

You!

go ... here we are.

Come here!

Glad we could do this in person.

Now!

I know you've been traveling a lot .

Grrr.

Really glad you suggested it .

Yah!

Ha ha ha ha!

I signed all the papers .

Aah!

I brought them to you to sign .

Oh!

What is the rush?

Haaa!

Prepare to die, Wyatt.

Yeah, I know . I'm a really slow signer I
realized.

I can't wait to die.

We're gonna kick...

It took me three months to write the letter to
you.

ass.

Okay. This is war.

Its marked where you have to sign .

Hands off the girls.

Leave the girls out of this.

Ha ha ha ha!

You do not have to do it now .

I said hands off!

Now..!

Ah... ahh!

Hee hee hee hee!

Why don't you shut up, bitch?

And as for your ugly ass,

you don't come into my friend's house

with your faggot friends,

driving your motorbikes all over his floors,
stinking up the place... and you do stink.

You're going to let go of the girls
and apologize to all these people.

Get on your bikes.

Pedal your ugly asses out of here.

Ha ha ha ha!

We're gentlemen, so we'll give you a choice.

Are you happy with the new book ?

You can leave in peace...

You know how I am ...

I think its true what I set out to do .

or you can stay and die.

So I'm happy with that.

You know you're your own worst critic .

Ugh!

I'm sure it's amazing .

I remember that paper you wrote in school
about ...

The choice is yours.
synaptic ... behavior routines .
It made me cry.
Yeah, but everything makes you cry .
Everything you do makes me cry .
So , are you seeing anybody?
Yeah, I've been seeing somebody for the last
few months .
It's the most I've wanted to be with someone
since we split up .
Well, you seem really good .
Thank you.
I am at least feeling better ...
Aaaahhhhh!
... she has been really good to me.
good to be with somebody that's excited
about !Yeahe.
Get out of here.
It was ...
No, I mean I I was not in such a good place
myself ...
Beg your pardon. Your home is lovely.
and now it has been nice.
I think you've always wanted me to be that is
distilled light,
Terribly sorry.
Call me. We'll have lunch.

... happy,balancy,everything's fine LA
wYeahe

Can we keep this between us?

But that's just not me .

I'd hate to lose my teaching job.

I did not want that.

So what's she like?

God bless you.

Her name is Samantha.

And she is an Operating System .

She is really complex and interesting ...

Wait! I'm Sorry ...

I can't believe it.

you are dating your computer?

Is everyone all right?

She's not just a computer.

We're heroes.

She is her own person .

We showed these guys down.

You and me saved all these people.

She doesn't just do whatever I say...

I did not say that ...

This could mean a guest shot on Phil Donahue.

But it does make me very sad that
you can not handle real emotions Theodore.
This is exciting, man!
They are real emotions !

Where did you get that thing?

How would you know ...

It's a squirt gun.

What?

Aah!

Say it!

Am I really that scary ? Say it!

How do I know what ?

That's my boys.

How are you guys doing here?

We're fine, we used to be married ,
but he couldn't handle me, he wanted to put
me on Prozac

and now he's in love with his laptop .

Crimson morning skyline

Yeah you listen to the context conversation

...

Whoa oh

I was trying to say is ...

What a weird night, huh?

You wanted to have a wYeahe without the
challenges of actually
dealing with anything real.

You really weren't afraid of those guys?

I'm glad you found someone .

That's perfect.

I was scared.

But what could I do?

Let me know Yeah I can get you guys anything.

Thank you.

I probably shouldn't ask too many questions about tonight.

Probably.

Since this is a night of weird shit,
can I ask you something strange?

- Hey. - Hey there.

Are you busy ?

I'm just working.

How's all going?

Would you kiss me?

I had all the papers sent to your lawyer,
who by the way is a total dick.

What about Ian?

I think he was very relieved to get them, I
think we saved him from a
massive heart attack , so we can both feel
really good about it.

We all make mistakes.

Great, thanks.

Okay.

Hey, are you okay?

Yeah, I am .

Where do you want it?

How is it going with you?
I'm fine ...
Can I ask you a question?
So now a good time to talk?
Yeah.
How do you feel about Lisa?
Yeah ...
I love her.
Well ...
I joined this really interesting book club .
That's what I figured.
Really?
But, uh...
Yeah, its a book club on physics .
it's definitely a different kind of love.
I was thinking about the other day when I
was really annoyed about
You know, it's more sisterly,
you going to see Catherine .
And that she has a body and how bothered I
was
like big sisters, like, kind of.
about all the way you and I are different.
But she's so beautiful.
But then I started to think about
all the ways we are the same...
we are all made of matter.
Yeah, she's really beautiful.

It makes me feel like we're both under the same blanket.

And her body is... it's gorgeous.

It is soft and fuzzy ...

It's a nice figure.

and everything under is the same age.
well 13 billion years old.

So...

I mean, what would I be compared to her?

How sweet .

Deb, Lisa is everything I ever wanted in a girl...

What's wrong?

Nothing .

before I knew what I wanted.

Just ... made me think of you you know what I mean?

I know that if I could do it again,

Yeah,yeah of course. I think it's great.

I'd make her just like you.

Honest.

You sound distracted , you want..

to talk later ... ?

Sounds good.

- Talk to you later . - goodbye .

Dead honest.

I'm like... I'm really honest when I say that.

I'm so very honest.

I mean that.

- Theodore . - Hello , Paul.

I was talking to your girlfriend earlier,
Samantha.

Yeah .

She called to make sure your papers are
picked up.

She's funny , man.

She was cracking me up .

It's very funny, I had no idea.

Oh cool ...

She's my girlfriend , Tatiana . not funny ,
she is a lawyer.

Hi!

- Nice to meet you. - You're the writer that
Paul loves .

He's always reading your letters.

They are really beautiful.

Thanks

You know,what we should all go out
sometime.

You bring Samantha, and it'd be a double
date.

She is an Operating System .

Cool. Let's do something fun.

Did you go to Catalina?

- It was really nice to meet you. good night. -
Take care.

What the hell?

Ucch.!

That little bastard.

- They are just letters ... - What's that ?

If my room's okay, I won't kill him.

They're just other people's letters.

I'll just hurt him real bad.

Freeze.

Chet!

Where's my brother?

Ow.

Uh...

I don't know.

You're dead meat, pilgrim.

Hey.

Uh...

- You were not asleep , were you? - No.

Chet, Chet, that's her nose.

Right. I was trying to be quiet to see if you
were awake.

She has nothing to do with it.

I really wanted to talk.

Okay, what's going on?

Okay. You die.

She walks out of here with a severe limp.

I know you're going through a lot....
but there is something I wanted to talk to
you about...okay?

Yeah, what is it?

Is that things have been feeling a little
awkward between us ...

I'll be back.

and ... we have not had sex lately and ...

I understand ... I do not have a body ...

No, no, that's normal.

That's Wyatt's older brother, Chet.

When you first start going out its like the
honeymoon phase and...

He's an asshole.

.. have sex all the time .

It is normal.

Oh, hi, Chet.

Okay.

What the hell's going on around here?

Well, I found something I thought it could
be fun .

Chet, it was an accident.

An accident?

It is a service that provides a surrogate
sexual partner ...

Do you realize it's snowing in my room,
for OS-human relationship...

What?

goddamn it?

Here.

Some weird shit happened, Chet.

I found a girl that I really like

It doesn't take a genius to figure that out,
and I've been e-mailing her.

Her name is Isabella , and I think you'd like
her too.

monkey dick.

Start talking.

Is she a prostitute or something?

Gary and I made a woman with the
computer.

No, not at all . There's no money involved.

She went crazy and messed up the house.

She's doing it because she wants to be part
of our relationship .

Don't smart-mouth me, you shit!

Why? She does not even know us.

Leave him alone.

But I told her all about us and she is very
excited.

This is a family matter, bimbo.

Chet, just let me find Lisa.

I do not know , Samantha. The thing is ...

She'll clear everything up.

You can have my college money

I do not think ... is a good idea.
Somebody's feelings will probably get hurt.
and my social security, Chet.
It will be fun . We will have fun together.
Sorry.
It makes me uncomfortable.
So you guys think you can fool me, huh?
I think it would be good for us. I want this.
This is really important to me.
Huh?
You've synched everybody to the same
bullshit story.
This is a Pershing missile, Chip.
My name is Chet.
And I didn't think it was a whale's dick,
honey.
Hi, Nanny. Hi, Grampy.
I'm not a moron.
Hi, I'm Theodore .
I...
Was that my grandparents?
Samantha said to give you this.
It is a camera and headpiece.
Are they dead?
No. They're just resting.
What are they doing in here?
I put them in there.

They weren't having a very good time at the party.

Do you think they're having a good time

Honey, I 'm home.

catatonic in a closet?

Do you have any idea how disrespectful that is?

- How was your day ? - Good .

Great .

I wouldn't give a squirt of piss

Theodore , it feels so good to be in your arms .

for your ass right now.

Tell me what you did today .

Same as always .

You guys get the girls home.

Just ... I went to work .

Wyatt, take the Porsche.

I wrote a letter to Wilson , in Rhode Island.

Gary, take the Ferrari.

The Ferrari?

His son graduated with honors.

I want to be alone with Chet.

Good to see you.

That made me happy.

that's great. You have written letters from him to his parents a long time, right?

Get out of here!
Take your little hussies home!
Yes, since he was 12 .
I want to get to the bottom of this,
A.S.A.F.P.
Oh, so do I.
You look so tired , sweetheart.
Come here .
First, I'd like to butter your muffin.
Why must you be such a wanker?
Because I get off on it.
Sit down.
I want you to keep your big mouth shut
about everything that's happened here.
Treat Wyatt and Gary with dignity and
respect.
I can do a dance for you...
Oh, really?
Yeah. Really.
I can be a real serious bitch...
if I don't get what I want.
Come on, Theodore . Do not be such a worrier .
Ooh. Hit me with your best shot.
Play with me , come on.
Does my body feel nice?
How fast are you going?

About 35.

Yes, it does .

Wait. This can't be right.

Are you looking at the RPMs?

No. I'm looking at about 50 tickets.

Come on, get out here and kiss me .

Bye!

Now take me to bedroom.

I cant take it anymore .

Undo my dress.

This happens every time!

Oh, my. Whew!

That was great!

Que rico .

It feels so good .

You son of a bitch!

Al, Al! Al, that was Gary!

- Do you love me ? - Yes .

Who is this Gary character?

Tell me you love me .

I love you .

I had a great time last night.

I want to see your face.

I'll probably be grounded for a month or so,
but...

Tell me you love me .

Tell me !

I'll wait for you.

Tell me you love me .

Samantha , I love you , but ...

Oh

It feels strange .

What baby . What is it?

It feels strange , I do not know .

Sorry, but I dont know you.

Mmph!

Y. . . her lip trembled , and I ...

Mmm.

Wait ...

Whoa

Isabella !

Honey, not you! It's not your fault!

Yes, it was .

No. . .

I feel my lip has trembled .

You are amazing and beautiful . It was my fault.

I thought things too .

Yeah, yeah, yeah, yeah

And how Samantha described this relationship ...

Hilly!

I love you!

how to love ... without prejudice,

It is so pure ...

Not true , Isabella , it is more complicated than that ...

What?

All right!

What do you mean?

Samantha , I'm just saying that we have an amazing relationship.

I want to thank you for a great night.

Only sometimes It is easy for people to project ...

Sorry! I didnt mean to project anything.
Same here.

I have kind of a confession to make.

I know I'm troublesome I will not be a problem in your relationship.

I 'm going ! Sorry!

I'll just leave you alone and not have anything

I'm really not this cool.

to do here, because I do not want to be here

.

That's not my car.

This is not my suit.

Sorry.

Those people weren't my friends.

Why are you telling me all of this?

Be good , sweet girl.
Because I want you to like me
I'm Sorry.
for what I am.
Whatever you are, I like it.
I'll always love you guys.
Whew!
Well, I'd better get going.
Wyatt and I still have to deal with Chet.
Quit screwing around!
Are you okay ?
This isn't funny, you stupid bitch!
Careful, Chet. Don't make me angry.
Yes , I'm fine .
Sorry.
You okay?
That's better.
Yeah .
Turn me back to normal.
I haven't done anything to you.
I'm sorry , that was a terrible idea.
You've done plenty to your brother.
Like what?
You've nagged him, harassed him...
Huh, me?
What's going on with us?
Suppressed him, extorted money from him.

I do not know . Probably just me...

What is it?

It was done out of love.

I should give you a set of elephant balls.

Just signing the divorce papers.

Heeagghh!

Is there anything else ?

Promise me you'll leave Wyatt and Gary alone,

No , its just that.

and I'll change you back.

Okay ...

Oh, all right.

- Why did you do that? - What?

Shake on it, huh?

Nothing, you ...

No, thanks. I'd rather not.

air intakes ... when you talk and I find it weird ...

Wait! Where are you going?

- I did it again . - Did I?

I have to go and get changed.

Sorry, there is ...

What about me?

The effect will wear off, okay?

it's a habit ... maybe I picked it up from you.

It's not like you need oxygen or anything .

I guess that...

I was trying to communicate ... that's how
people talk
how people communicate well and ...
They are people ,they need oxygen . You're
not a person.

Well?

What is your problem?

I'm in love.

I'm just saying the facts.

Isn't it great?

You think I dont know I'm not a person ?

The best.

I'll tell you what.

What are you doing ?

I dont think we should pretend that you're
something that you're not .

Things are turning around for us.

I mean it.

Fuck you !

Okay, what about Lisa?

I'm not pretending .

Sometimes , it feels like we are.

We'll have a talk with her.

What do you want from me? What do you
want me to do?

You are so confusing.

Think she'll understand?

I think so.

Why are you doing this to me?

I do not know , I ...

I sure as hell wouldn't want to date you.

What?

You're not my type.

Maybe we are not supposed to be in this right now.

What the fuck !

Where's this coming from?

Chet?

I do not understand why you're doing this .

Chet?

I do not understand that ...

Hi, dudes!

Samantha ...

I'm sorry, Wyatt,
for being a shit to you all these years.

Samantha , are you there ?

Samantha !

And gee, I want you to know that...

I do not like who I am right now.

I love you.

I need some time to think.

Blech!

Ha ha ha ha!

That's nasty, Wyatt.

That's Chet, Gary.

Hey, hey.

Mmm.

Mmm!

Oh, my God!

Lisa?

In here.

Lisa.

Yeah?

You saw Chet?

Yes, I did.

You're responsible?

Yes, I am.

Lisa, we can't have him like that.

It'd ruin Christmas.

He'll be fine in half an hour.

Just punch me in the face.

He won't spoil Christmas.

Or smash my skull in the corner of your desk...

And he won't bug you anymore, either.

Shit ...

That's a rough night .

Um, Lisa, we have to have a talk with you.

I do not know what I want ...

What's on your mind?

... ever.

I really don't know how to say this.
I'm always confused and ...
You guys found girlfriends, right?
she's right ... all what I do is ...
Fell in love with two girls.
hurt and confuse those around me .
They fell in love with you.
Am I ...
That's all I ever wanted for you.
You're not hurt?
Catherine says I can not handle real
emotions.
Yeah, sure I'm hurt.
I do not know if that's fair.
But I wouldn't change it.
I know she liked to put it all on you.
I'm really just getting off
But as ar as emotions go , Catherine was
pretty volatile ...
seeing you guys straightened out.
I have to go.
Am I in this for..
strong enough to be in a relationship?
Is it not a real relationship ?
I dont know .
Oh.
What do you think ?

I've had a wonderful time.
I dont know .
I'm not in it.
But you know what, I can overthink
everything and ...
Lisa.
find a million Ways to doubt myself.
Bye.
And since Charles left I've been really
thinking about that part of me .
And I 've just come to realise that...
We are only here ... briefly .
And while I'm here ..
I want to allow myself...
... joy.
So , fuck it.
I can not believe I crack you up everytime..
I thought you were a genius.
Okay you little pervert . I will play one more
time for you.
Calm down ,it takes a second .
Okay, here we go.
There you go. Are you happy now?
Right. That's all I wanted.
Okay,I'll get some coffee .
Well, goodbye.
Boys?

Theo , you want anything ?

No. ..

... thanks.

Hi, Mr. Donnely. How are you?

Hi, honey.

Dad, hi.

No, no, no.

What did you guys do this weekend?

Not much.

Hung around the house.

Daddy thought you might throw a party
or do something nutty.

Hi.

Not us. Not here.

Hi, Samantha.

No way. No way.

Can we talk ?

Okay.

I'm so sorry .

I do not know what's wrong with me.

I think you're amazing.

I was starting to think I was crazy.

You said everything was fine, but all i was
getting from you was
distance and anger.

I know. I do that .

Shh, shh, shh.

I did the samething with Catherine .
I was upset about something and I could not
be able to say it.
And she says there was something wrong
and I denied it.
I do not wanna do that.
I want to tell you everything.
Good.
Okay.
The minute after you were gone I thought a
lot .
Drop and give me 20.
About you and ...
how you've been treating me... and I
thought...
She's alive
Why do I love you ?
Weird science
And then ...
I felt ... everything in me and just like
everything was...
Weird science
holding on to so tightly...and it hit me
Plastic tubes and pots and pans
Bits and pieces
I dont have an intellectual reason, I dont
need one...

And magic from our hands will make it

Weird science

I trust myself, I trust my feelings.

Ooh

Plastic tubes and pots and pans

I am not gonna try to be anything

Bits and pieces and bits and pieces

more than who I am anymore

And bits and pieces

It's my creation

and I hope you can accept that.

Is it real?

Yeah I can .

It's my creation

I will.

Ooh, my creation

Yeah I can feel the fear you carry .

It's my creation

And I wish there was ...

something I could do

to help you deliver because ...

... if you could , you'll feel no longer alone

anymore...

You're a beautiful ...

Weird

Ooh

Thank you, Theodore .
